

FDP
Department of Chemical Engineering

2025-26

1. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Sustainable Digital Future”, Organized by Department of Information Technology in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 13-17th October, 2025.
2. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Advances and Innovations in Civil Engineering: Towards Sustainable Solutions and Entrepreneurial Mindset through Interdisciplinary Approaches”, Organized by Department of Civil Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 8-15th October, 2025.
3. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Sustainable Mobility and AI-driven Renewable Technologies (SMART-2025)”, Organized by Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, Haldia, during 22 - 26th September, 2025.
4. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Emerging Technologies (IoT, Cloud Computing, Generative AI) and their roles in Outcome Based Education (OBE) under NEP 2020”, Organized by Department of CSE-DS, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18-19th September & 22-24th September, 2025.
5. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Recent Research Trends on NextGen AI (RRTNGAI)”, Organized by Department of CSE-AI-ML and Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 15-22th September, 2025.
6. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0”, Organized by Department of Chemical Engineering, HIT, Haldia, In association with Departmental Students’ Chapter, IChE, during 24th to 28nd November, 2025.
7. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge”, Organized by Department of

Biotechnology in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 17th to 22nd November, 2025.

8. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Electric Vehicle and Its Applications (EVA-2025)”, Organized by Department of Electrical Engineering & Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 21st- 25th July, 2025.
9. **Suman Saha**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Departments of Chemical Engineering, HIT, Haldia, in association with Departmental Students’ Chapter, IChE, during 24th to 28th November, 2025.
10. **Deepak Kumar Samal**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” Organized by Department of Chemical Engineering, HIT, Haldia, in association with Departmental Students’ Chapter, IChE, during 24th to 28th November, 2025.
11. **Barnali Bej**, Participated in one week Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” Organized by Dept. of Chemical Engineering in association with Departmental Students’ Chapter, IChE, during 24th -28th November, 2025.
12. **Barnali Bej**, Participated in one week Faculty development program on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge” organized by Dept. of Biotechnology in association with IQAC, Haldia Institute of Technology, during 17th - 22nd November, 2025.
13. **Barnali Bej**, Participated in one week Faculty development program on “Recent Advances and Innovations in Mechanical Engineering (RAIME 2025)” organized by Dept. of Mechanical Engineering & IQAC, Haldia Institute of Technology Haldia, during 4th – 9th August, 2025.
14. **Barnali Bej**, Participated in one week Faculty development program on “Sustainable Mobility and AI-driven Renewable Technologies (SMART 2025)” organized by Dept. of Applied Electronics and Instrumentation Engg. HIT in association with IQAC, Haldia Institute of Technology, during 22nd -26th September, 2025.
15. **Barnali Bej**, Participated in Faculty development program on “Energy Transition: Pathways to Net-Zero Emission (ETPNE-2025)” organized by Dept. of Chemical Engineering, Heritage Institute of Technology, Kolkata (HITK) in association with IIC and IQAC, HITK, during 18th -22nd July, 2025.

16. **Barnali Bej**, Participated in one week Faculty development program on “Recent Research Trends on NextGen AI (RRTNGAI)” organized by Dept. of CSE (AI&ML), Haldia Institute of Technology, during 15th -22nd September, 2025.
17. **Barnali Bej**, Participated in one week Faculty development program on “Advances and Innovations in Civil Engineering: Towards Sustainable Solutions and Entrepreneurial Mindset through Interdisciplinary Approaches” organized by Dept. of Civil Engg. HIT in association with IQAC, Haldia Institute of Technology, during 8th -15th October, 2025.
18. **Barnali Bej**, Participated in 5-days Faculty development program on “Electric Vehicle and Its Applications (EVA 2025)” organized by Dept. of Electrical Engg. HIT in association with IQAC, Haldia Institute of Technology, during 21st -25th July, 2025.
19. **Barnali Bej**, Participated in 5-days Faculty development program on “Sustainable Digital Future” organized by Department of Information Technology HIT in association with IQAC, Haldia Institute of Technology, during 13th -17th October, 2025.
20. **Barnali Bej**, Participated in one week Faculty development program on “Cutting-Edge Technologies in Engineering for Sustainable Development” organized by Electrical Engineering Department, Seemanta Engineering College, during 15th -20th September, 2025.
21. **Sourav Poddar**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Departments of Chemical Engineering, Haldia Institute of Technology, in association with IChE, , during 24 – 28th November, 2025.
22. **Anoar Ali Khan**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Departments of Chemical Engineering, Haldia Institute of Technology in association with IChE, during 24 – 28th November, 2025.
23. **Ankita Mazumder**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by the Department of Chemical Engineering, in association with IChE, Haldia Institute of Technology, during 24 – 28th November, 2025.
24. **Tanushree Ghosh**, participated in Faculty development program on “Inculcating Universal Human Values in Technical Education” organized by All India Council for Technical Education (AICTE), during 10 - 14th Nov, 2025.
25. **Tanushree Ghosh**, participated in Faculty development program on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge” organized by Department of

Biotechnology in association with IQAC, Haldia Institute of Technology, during 17 – 22nd Nov, 2025.

26. **Tanushree Ghosh**, participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Department of Chemical Engineering in association with Departmental Students’ Chapter, IICChE, Haldia Institute of Technology, during 24 – 28th Nov, 2025.
27. **Tanushree Ghosh**, participated in Faculty development program on “Nanotechnology in Chemical Engineering”, NPTEL Online Certification Course, Indian Institute of Technology, Roorkee, during Aug-Oct, 2025.
28. **Sonali Samanta**, participated in Faculty Development Program on “Energy Transition: Pathways to Net-Zero Emission (ETPNE-2025)” jointly organized by Department of Chemical Engineering, Heritage Institute of Technology, Kolkata (HITK) in association with IIC and IQAC, HITK, during 18th – 22nd July, 2025.
29. **Sonali Samanta**, participated in Faculty Development Program on “Electric Vehicle and Its Applications (EVA-2025)” jointly organized by Department of Electrical Engineering & Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 21st - 25th July, 2025.
30. **Sonali Samanta**, participated in Faculty Development Program on “Sustainable Mobility and AI-driven Renewable Technologies (SMART-2025)”, organized by the Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, Haldia, during 22nd- 26th September.
31. **Sonali Samanta**, participated in one-week online Faculty Development Program (FDP) on “Advances and Innovations in Civil Engineering: Towards Sustainable Solutions and Entrepreneurial Mindset through Interdisciplinary Approaches” organized by the Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India, in association with IQAC, Haldia, during 08th - 15th October, 2025.
32. **Sonali Samanta**, participated in Faculty Development Program on “Sustainable Digital Future” organized by the Department of Information Technology in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 13th – 17th October, 2025.
33. **Sonali Samanta**, participated in Faculty Development Program (FDP) on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge” organized by the Department of

Biotechnology in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 17th -22nd November, 2025.

34. **Sonali Samanta**, participated in one-week online Faculty Development Program (FDP) on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Department of Chemical Engineering, HIT, Haldia In association with Departmental Students’ Chapter, IChE, during 24th to 28th November, 2025.
35. **Lipika Das Samanta**, Participated in Faculty development program on “Petroleum Production - Operational Challenges and its Mitigation” organized by Malaviya Mission Teacher Training Centre, IIT(ISM) Dhanbad, Jharkhand,during 14th July to 19th July 2025.
36. **Lipika Das Samanta**, Participated in Faculty development program on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge” organized by the Department of Biotechnology in association with the Internal Quality Assurance Cell (IQAC), HaldiaInstitute of Technology, during 17th to 22th November, 2025.
37. **Lipika Das Samanta**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Department of Chemical Engineering, HIT, Haldia, in association with Departmental Students’ Chapter, IChE, during 24th to 28th November, 2025.
38. **Sutapa Roy**, Participated in Faculty development program on “Petroleum Production - Operational Challenges and its Mitigation” organized by Malaviya Mission Teacher Training Centre, IIT(ISM) Dhanbad, Jharkhand,during 14th July to 19th July, 2025.
39. **Sutapa Roy**, Participated in Faculty development program on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge” organized by the Department of Biotechnology in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 17th to 22th November, 2025.
40. **Sutapa Roy**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Department of Chemical Engineering, HIT, Haldia, in association with Departmental Students’ Chapter, IChE, during 24th to 28th November, 2025.
41. **Bitan Pratihar**, participated in FDP on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0”, organized by the Department of Chemical Engineering, Haldia Institute of Technology, Haldia, in

association with the IQAC, HIT Haldia and Departmental Students' Chapter, IICChE, during 24th to 28th November, 2025.

- 42. Bitan Pratihar**, participated in FDP on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge”, organized by the Department of Biotechnology, Haldia Institute of Technology, Haldia, in association with the IQAC, HIT Haldia, during 17th to 22nd November, 2025.
- 43. Radharani Das**, Participated in the FDP Programme on “ Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” Organized by Department of Chemical Engineering, HIT, Haldia in association with the IQAC, HIT Haldia and Departmental Students' Chapter, IICChE during 24th to 28th November, 2025.
- 44. Asit Kumar Saha**, participated in Faculty development program on “AI Tools” organized by DVS & Dr. HS MIC College of Technology in association with Brainovision Solutions India Pvt Ltd in collaboration with All India Council for Technical Education (AICTE), during the period of 17th to 21st February 2025.
- 45. Ujjal Kumar Ghosh**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0”, organized by the Department of Chemical Engineering, HIT Haldia in association with IQAC, HIT Haldia and Departmental Students' Chapter, IICChE, from November 24-28, 2025.
- 46. Monal Dutta**, Participated in Faculty development program on “Integrating AI & ML for sustainable Chemical Process Industries : A Paradigm Shift towards Industry 5.0” organized by Departments of Chemical Engineering, in association with IQAC, HIT Haldia and Departmental Students' Chapter, IICChE, during 24th to 28th November, 2025.
- 47. Monal Dutta**, Participated in Faculty development program on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge” organized by Department of Biotechnology in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 17th to 22nd November, 2025.
- 48. Keka Rana**, Participated in a Faculty Development Program on “Electric Vehicle and Its Applications (EVA-2025)”, organized by Department of Electrical Engineering and Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 21st - 25th July, 2025.
- 49. Keka Rana**, Participated in a Faculty Development Program on “Energy Transition: Pathways to Net-Zero Emission (ETPNE-2025)”, organized by the Department of

Chemical Engineering, Heritage Institute of Technology, Kolkata (HITK) in association with IIC and IQAC, HITK, during 18th – 22nd July, 2025.

50. **KekaRana**, Participated in a Faculty Development Program on “Recent Advances and Innovations in Mechanical Engineering (RAIME 2025)”, organized by Department of Mechanical Engineering & Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 4th – 9th August, 2025.
51. **KekaRana**, Participated in a Faculty Development Program on “Recent Research Trends on NEXTGEN AI (PRTNGAI)”, organized by Department of CSE (AI & ML, Haldia Institute of Technology, during 15th – 22nd September, 2025.
52. **KekaRana**, Participated in a Faculty Development Program on “Sustainable Mobility and AI-driven Renewable Technologies (SMART-2025)”, organized by Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, Haldia, India, during 22nd – 26th September, 2025.
53. **KekaRana**, Participated in a Faculty Development Program on “Sustainable Digital Future”, organized by Department of Information Technology in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, Haldia, India, during 13th -17th October, 2025.
54. **KekaRana**, Participated in a Faculty Development Program on “Advances and Innovations in Civil Engineering: Towards Sustainable Solutions and Entrepreneurial Mindset through Interdisciplinary Approaches”, organized by the Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India, in association with IQAC, Haldia, India, during 8th -15th October, 2025.
55. **KekaRana**, Participated in a Faculty Development Program on “Subject Knowledge and Understanding: AI, Image Processing and Projects in the Evolving Computer Science Discipline”, organized by the Departments of Computer Science and Engineering and Computer Science and Engineering (Data Science), IEM, Newtown in association with HRDC, IEM-UEM Group, India, during 7th -14th October, 2025.
56. **KekaRana**, Participated in a Faculty Development Program on “Biotech 2.0: Empowering Educators with Cutting-edge Knowledge”, organized by the Department of Biotechnology in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, India, during 17th -22nd November, 2025.
57. **KekaRana**, Participated in a Faculty Development Program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0”,

organized by the Department of Chemical Engineering, HIT, Haldia, in association with Departmental Students' Chapter, IChE, India, during 24th - 28th November, 2025.

- 58. KekaRana**, Participated in a Faculty Development Program on “Renewable Energy Systems and Energy Storage Solutions”, organized by the Department of Electrical and Electronics Engineering, Dr. M. G. R. Educational and Research Institute (Deemed to be University) Chennai, India, during 8th - 12th December, 2025.
- 59. Bisweswar Das**, Participated in a Faculty Development Program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” Organized by Department of Chemical Engineering, HIT, Haldia, in association with Departmental Students' Chapter, IChE, India, during 24th to 28th November, 2025.
- 60. Sunil Baran Kuila**, Participated in a Faculty development program on “Petroleum Production - Operational Challenges and its Mitigation” Malaviya Mission Teacher Training Centre, IIT(ISM) Dhanbad, Jharkhand, India, during 14th July to 19th July 2025.
- 61. Biswajit Mandal**, Participated in Faculty development program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” organized by Department of Chemical Engineering, HIT, Haldia, in association with Departmental Students' Chapter, IChE, during 24th to 28th November, 2025.
- 62. Aditi Sinha**, Participated in Faculty development program on “Energy Transition: Pathway to Net Zero emission” organized by Departments of Chemical Engineering, Heritage Institute of Technology, in association with IIC & IQAC, during 18 – 22nd July, 2025.
- 63. Aditi Sinha**, Participated in Faculty development program on “Advancement in next generation computing and communication in the IOT age” organized by Departments of Computer Science, Sister Nivedita University, during 09 – 13th July, 2025.
- 64. Aditi Sinha**, Participated in Faculty development program on “Recent advances and innovations in Mechanical Engineering (RAIME)” organized by Departments of Mechanical Engineering, Haldia Institute of Technology, in association with IQAC, during 04 – 09th August, 2025.
- 65. Aditi Sinha**, Participated in Faculty development program on “Emerging Technologies (IOT, Cloud computing, Generative AI) and their roles in Outcome Based Education under NEP 2020” organized by Departments of CSE-DS, Haldia Institute of Technology, during 18 – 24th September, 2025.

- 66. Aditi Sinha**, Participated in Faculty development program on “Recent Research Trends on Next Generation AI (RRTNGAI)” organized by Departments of CSE-(AI &ML), Haldia Institute of Technology, during 15 – 22nd September, 2025.
- 67. Aditi Sinha**, Participated in Faculty development program on “Sustainable Digital Future” organized by Departments of Information Technology, Haldia Institute of Technology, in association with IQAC, during 13 – 17nd October, 2025.
- 68. Aditi Sinha**, Participated in Faculty development program on “Integrating AI and ML for Sustainable Chemical Process Industries: A Paradigm shift towards Industry 5.0” organized by Departments of Chemical Engineering, Haldia Institute of Technology, in association with Departmental Students Chapter, IICHE, during 24 – 28th Nov, 2025.
- 69. Somak Jyoti Sahu**, participated in Faculty Development Program on “Petroleum Production - Operational Challenges and its Mitigation” organised by Malaviya Mission Teacher Training Centre, IIT(ISM), Dhanbad, Jharkhand,during 14th July to 19th July 2025.
- 70. Somak Jyoti Sahu**, participated in Faculty Development Program on “Integrating AI & ML for Sustainable Chemical Process Industries: A Paradigm Shift Towards Industry 5.0” Organized by Department of Chemical Engineering, HIT, Haldia, in association with Departmental Students’ Chapter, IICHe, during 24th to 28th November, 2025.
- 71. Tanushree Ghosh**, participated in Faculty Development Program on “Petroleum Production - Operational Challenges and its Mitigation” organised by Malaviya Mission Teacher Training Centre, IIT(ISM) Dhanbad, Jharkhand, during 14-19th July, 2025.
- 72. Radha Das**, Participated in Faculty development program on “Next Generation Battery technology towards Sustainable Battery Storage” organized by Department of Chemical Engg, Haldia Institute of Technology, Haldia, in association with IQAC & IICHe Students’ Chapter, Haldia Regional Centre, during 4th - 8th March, 2026.
- 73. Aditi Sinha**, Participated in Faculty development program on “Innovation, Entrepreneurship and IPR” organized by Departments of Computer Science & Engineering, Haldia Institute of Technology, during 11th– 15th May, 2026.
- 74. Aditi Sinha**, Participated in Faculty development program on “Technology integration in Civil Engineering: Pathway towards sustainable development” organized by Departments of Civil Engineering in association with IQAC, Haldia Institute of Technology, during 04 – 08th May, 2026.
- 75. Aditi Sinha**, Participated in Faculty development program on “Advancement in Next generation Battery Technology towards sustainable Energy storage” organized by

Departments of Chemical Engineering, Haldia Institute of Technology, Haldia, in association with IQAC and IICHE students chapter, Haldia Regional Centre, during 04 – 08th May, 2026.

76. **Ankita Mazumder**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Department of Chemical Engineering, HIT, Haldia in association with IQAC, Haldia Institute of Technology, IICHe Students’ Chapter, HRC, during 4th – 8th May, 2026.
77. **Anoar Ali Khan**, Participated in Faculty development program on “Advancement in Next Generation Technology towards Sustainable Energy” organized by Department of Chemical Engg, Haldia Institute of Technology, Haldia, in association with IQAC & IICHe Students’ Chapter, Haldia Regional Centre, during 4th - 8th March, 2026.
78. **Anoar Ali Khan**, Participated in Faculty development program on “Centre for Engineering Excellence Program” organized by Infosys Foundation & National Academy of Engineering and AICTE & IITs, during May - December, 2025.
79. **Tanushree Ghosh**, Participated in Faculty development program on “Cultivating Emotional Well Being for Professionals” organized by Department of MBA in association with IQAC, Haldia Institute of Technology, during 23rd – 29th March, 2026.
80. **Tanushree Ghosh**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Department of Chemical Engineering, HIT, Haldia in association with IQAC, Haldia Institute of Technology, IICHe Students’ Chapter, HRC, during 4th – 8th May, 2026.
81. **Suman Saha**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Departments of Chemical Engineering, HIT, Haldia, in association with IQAC, Haldia Institute of Technology & IICHe Students’ Chapter, Haldia Regional Centre (HRC), during 4 – 8th May, 2026.
82. **Rabindranath Jana**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Departments of Chemical Engineering, HIT, Haldia, in association with IQAC, Haldia Institute of Technology & IICHe Students’ Chapter, Haldia Regional Centre (HRC), during 4 – 8th May, 2026.
83. **Sutapa Roy**, Participated in Faculty development program on “Intelligent Mechanical Engineering: Energy, Automation and Smart Production” organized by the Department of Mechanical Engineering, Haldia Institute of Technology, during 16th – 20th March, 2026.

- 84. Bisweswar Das**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Departments of Chemical Engineering, HIT, Haldia, in association with IQAC, Haldia Institute of Technology & IChE Students’ Chapter, Haldia Regional Centre (HRC), during 4 – 8th May, 2026.
- 85. Monal Dutta**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Departments of Chemical Engineering, HIT, Haldia, in association with IQAC, Haldia Institute of Technology & IChE Students’ Chapter, Haldia Regional Centre (HRC), during 4 – 8th May, 2026.
- 86. Monal Dutta**, Participated in Faculty development program on “Intelligent Mechanical Engineering: Energy, Automation & Smart Production” organized by Dept. of Mechanical Engineering, Haldia Institute of Technology, Haldia, during 16th – 20th March, 2026.
- 87. Monal Dutta**, Participated in Faculty development program on “Emerging trends in Robotics and Artificial Intelligence” organized by Dept. of Basic Science and Humanities (BSH), IEM Newtown in association with HRDC, IEM-UEM Group, during 23rd - 27th March, 2026.
- 88. Monal Dutta**, Participated in Faculty development program on “Non-conventional Energy Resources”, organized by National Programme on Technology Enhanced Learning (NPTEL), India, January – April, 2026.
- 89. Dutta, M.**, participated in the AICTE Training and Learning (ATAL) Academy, Faculty Development Program on “Next-Generation Technologies for Energy Efficiency and Sustainable Innovation”, Department of Mechanical Engineering, Vikas College of Engineering & Technology, India, Feb. 02–07, 2026.
- 90. Lipika Das Samanta**, Participated in Faculty development program on “Intelligent Mechanical Engineering: Energy, Automation and Smart Production” organized by the Department of Mechanical Engineering, Haldia Institute of Technology, Haldia, during 16th – 20th March, 2026.
- 91. Bitan Pratihar**, participated in Faculty Development Program on “Next-Generation Technologies for Energy Efficiency and Sustainable Innovation” organized by Vikas College of Engineering & Technology, during 2nd -7th February, 2026.
- 92. Bitan Pratihar**, participated in Faculty Development Program on “Intelligent Mechanical Engineering: Energy, Automation and Smart Production” organized by the Department of

Mechanical Engineering, Haldia Institute of Technology, Haldia, during 16th - 20th March, 2026.

- 93. Bitan Pratihar**, participated in Faculty development program on “Non-conventional Energy Resources”, organized by National Programme on Technology Enhanced Learning (NPTEL), IIT Madras, India, January – April, 2026.
- 94. Bitan Pratihar**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Departments of Chemical Engineering, HIT, Haldia, in association with IQAC, Haldia Institute of Technology & IChE Students’ Chapter, Haldia Regional Centre (HRC), during 4 – 8th May, 2026.
- 95. Sourav Poddar**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Departments of Chemical Engineering, HIT, Haldia, in association with IQAC, Haldia Institute of Technology & IChE Students’ Chapter, Haldia Regional Centre (HRC), during 4 – 8th May, 2026.
- 96. Sourav Poddar**, Participated in Faculty development program on “Centre for Engineering Excellence Program” organized by Infosys Foundation & National Academy of Engineering and AICTE & IITs, during May - December, 2025.
- 97. Sonali Samanta**, Participated in Faculty development program on “Emerging Trends in AI: Data-Driven Research and Semiconductor Applications” organized by Department of CSE, Brainware University, in association with SR University, Warangal, Telangana, during 30th December 2025 to 4th January, 2026.
- 98. Sonali Samanta**, Participated in Faculty Development Program on “Intelligent Mechanical Engineering: Energy, Automation and Smart Production” organized by Department of Mechanical Engineering, Haldia Institute of Technology, during 16th - 20th March, 2026.
- 99. Sonali Samanta**, Participated in Faculty Development Program on “Technology Integration in Civil Engineering: Pathways Towards Sustainable Development” organized by the Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India, in association with IQAC, Haldia, during 04th - 8th May, 2026.
- 100. Sonali Samanta**, Participated in Faculty Development Program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by the Department of Chemical Engineering, Haldia Institute of Technology, West Bengal,

India, in association with IQAC, Haldia and IChE Students' Chapter, Haldia Regional Centre, during 04th - 8th May, 2026.

- 101. Sonali Samanta**, Participated in Faculty Development Program on “Innovation, Entrepreneurship and IPR” organized by the Department of Computer Science and Engineering, Haldia Institute of Technology, West Bengal, India, during 11th - 15th May, 2026.
- 102. Sonali Samanta**, participated in faculty development program on "Plastic Waste management" organized by NPTEL-AICTE, IIT Kharagpur, during January-March, 2026.
- 103. Keka Rana**, Participated in Faculty development program on “Emerging Computational Paradigms and Research Frontiers” organized by Department of CSE, IT, CSE (AI/ML), and CSE (DS), Bengal College of Engineering and Technology, Durgapur, during 13th -17th Jan, 2026.
- 104. Keka Rana**, Participated in Faculty development program on “Intelligent Mechanical Engineering: Energy, Automation and Smart Production” organized by Department of Mechanical Engineering, Haldia Institute of Technology, Haldia, West Bengal, during 16th -20th March, 2026.
- 105. Keka Rana**, Participated in Faculty development program on “Demystifying Outcome Based Education” organized by Department of Electrical Engineering & Department of Electronics Communication & Engineering at Swami Keshwanand Institute of Technology, Management & Gramothan, Jaipur, during 23rd - 28th March, 2026.
- 106. Keka Rana**, Participated in Faculty Development Program on “Emerging trends in Robotics and Artificial Intelligence”, organized by Department of Basic Science and Humanities (BSH), IEM Newtown in association with HRDC, IEM-UEM Group, during 23rd – 27th March, 2026.
- 107. Keka Rana**, Participated in Faculty Development Program on “Energy Resources, Economics, and Sustainability”, organized by NPTEL-AICTE, during Feb – April, 2026.
- 108. Keka Rana**, Participated in Faculty Development Program (FDP) on “Technology Integration in Civil Engineering: Pathways Towards Sustainable Development”, organized by Department of Civil Engineering, Haldia Institute of Technology, Haldia, during 4th – 8th May, 2026.
- 109. Keka Rana**, Participated in Faculty Development Program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage”, organized by Department of Chemical Engineering, HIT, Haldia, in association with IQAC, Haldia

Institute of Technology, Haldia & IChE Students' Chapter, Haldia Regional Centre (HRC), during 4th – 8th May, 2026.

- 110. Keka Rana**, Participated in Faculty Development Program on “Innovation, Entrepreneurship, and IPR”, organized by Department of Computer Science and Engineering, Haldia Institute of Technology, Haldia, during 11th – 15th May, 2026.
- 111. Barnali Bej**, Participated in Faculty development program on “Innovation, Entrepreneurship and IPR” organized by Dept. of CSE, Haldia Institute of Technology, during 11th - 15th May, 2026.
- 112. Barnali Bej**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Dept. of Chemical Engineering in association with IQAC, HIT & IChE Students' Chapter, Haldia Regional Centre (HRC), during 4th - 8th May, 2026.
- 113. Barnali Bej**, Participated in Faculty development program on “Technology Integration in Civil Engineering: Pathways towards Sustainable Development” organized by Dept. of Civil Engg. in association with IQAC, Haldia Institute of Technology, during 4th - 8th May, 2026.
- 114. Barnali Bej**, Participated in Faculty development program on “Emerging trends in Robotics and Artificial Intelligence” organized by Dept. of Basic Science and Humanities (BSH), IEM Newtown in association with HRDC, IEM-UEM Group, during 23rd - 27th March, 2026.
- 115. Barnali Bej**, Participated in Faculty development program on “Intelligent Mechanical Engineering: Energy, Automation & Smart Production” organized by Dept. of Mechanical Engineering, Haldia Institute of Technology, Haldia, during 16th – 20th March, 2026.
- 116. Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Innovation, Entrepreneurship, and IPR”, Organized by Department of Computer Science Engineering, in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 11th - 15th May, 2026.
- 117. Siddhartha Sankar Boxi**, Participated in Faculty development program on “Advancement in Next Generation Battery Technology towards Sustainable Energy Storage” organized by Dept. of Chemical Engineering in association with IQAC, HIT & IChE Students' Chapter, Haldia Regional Centre (HRC), during 4th - 8th May, 2026.
- 118. Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Technology Integration in Civil Engineering: Pathways Towards Sustainable

Development”, Organized by Department of Civil Engineering, in association with the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 4th - 8nd May, 2026.

- 119. Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Emerging trends in Robotics and Artificial Intelligence”, Organized by Department of Basic Science and Humanities (BSH), IEM Newtown in association with HRDC, IEM-UEM Group, IChE, during 23rd - 27th March, 2026.

2024-25

1. **Lipika Das Samanta**, participated in one week short term course on “Sustainable power generation and advanced energy storage system” organized by Chemical Engineering Department, NIT Durgapur association with The Institution of Engineers (India), Durgapur local centre, during 1st–5th July, 2024.
2. **Sutapa Roy**, participated in one week short term course on “Sustainable power generation and advanced energy storage system” organized by Chemical Engineering Department, NIT Durgapur association with The Institution of Engineers (India), Durgapur local centre, during 1st–5th July, 2024.
3. **Tapas Kumar manna**, Participated in one week short term course on “Sustainable power generation and advanced energy storage system” organized by Chemical Engineering Department, NIT Durgapur association with The Institution of Engineers (India), Durgapur local centre, during 1st – 5th July, 2024.
4. **Lipika Das Samanta**, Participated in Faculty development program on “Current Bioprocess Technology, products and opportunities” organized by Department of Biotechnology, KLEF, Vandeswaram campus, in association with academic staff college, KLEF, during 29th June – 3rd July, 2024.
5. **Lipika Das Samanta**, Participated in Faculty development program on “Methods for improving higher education teaching quality using outcome based education, Pedagogical approaches and NEP 2020 ” jointly organized by Department of Computer Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 22nd July – 26th July, 2024.
6. **Lipika Das Samanta**, Participated in Faculty development program on “Innovation in recent trends and research applications on computing and informatics” jointly organized by Department of Information Technology, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 29th July – 2nd August, 2024.

7. **Lipika Das Samanta**, Participated in Faculty development program on “Outcome based education and advanced research in Electrical Engineering” jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 12th August – 17th August, 2024.
8. **Lipika Das Samanta**, Participated in Faculty development program on “Advanced Environmental Sustainability: Integrated approaches to decarbonization and wastewater treatment” organized by Department of Chemical Engineering, Haldia Institute of Technology, during 9th September – 13th September, 2024.
9. **Lipika Das Samanta**, Participated in Faculty development program on “Transforming innovations into reality for future science and Engineering” organized by Department of Applied Sciences and Humanities, Haldia Institute of Technology, in association with Indian JSPS (Japan Society for the Promotion of Science) Alumni Association(IJAA) & Department of Physics, Mohanlal Sukhadia University, Udaipur, during 4th November – 8th November, 2024.
10. **Lipika Das Samanta**, Participated in Faculty development program on “Unveiling new-generation innovations in tech-units (UNIT-2024)” organized by Department of Chemical Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 19th – 23rd November, 2024.
11. **Tanushree Ghosh**, Participated in Faculty development program on “Methods for improving Higher Education Teaching Quality using Outcome based Education, Pedagogical approaches and NEP -2020 (OBENEP24)” organized by Haldia Institute of Technology, during 22 – 26th July, 2024.
12. **Tanushree Ghosh**, Participated in Faculty development program on “Innovation in Recent Trends and Research Applications on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 29th July – 2nd August, 2024.
13. **Tanushree Ghosh**, Participated in Faculty development program on “Outcome based Education and Advanced Research in Electrical Engineering (OBEAREE24)” organized by Dept. of Electrical Engineering, Haldia Institute of Technology, during 12 – 17th August, 2024.
14. **Tanushree Ghosh**, Participated in Faculty development program on “Unveiling New Generation Innovations in Tech-Units (Unit-2024)” organized by Dept. of Chemical Engineering, Haldia Institute of Technology, during 19th – 23rd November, 2024.
15. **Tanushree Ghosh**, Participated in Faculty development program on “Advancing Environmental Sustainability- Integrated Approaches to Decarbonization and waste water

treatment (AES IADWT-2024)” organized by Dept. of Chemical Engineering, Haldia Institute of Technology, during 9th – 13th September, 2024.

16. **Deepak Kumar Samal**, Participated in Faculty development program on “Methods for Improving Higher Education Teaching Quality Using Outcome Based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)” organized by Departments of Computer Science & Engineering, in association with IQAC, Haldia Institute of Technology, during 22 – 26th July, 2024.
17. **Deepak Kumar Samal**, Participated in Faculty development program on “Advancing Environmental Sustainability: Integrated Approaches to Decarbonization and Wastewater Treatment (AES IADWT-2024)” organized by Departments of Chemical Engineering, Haldia Institute of Technology, during 09 – 13th September, 2024.
18. **Deepak Kumar Samal**, Participated in Faculty development program on “Unveiling New-Generation Innovations in Technology (UNIT-2024)” organized by Departments of Chemical Engineering in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 19 – 23th November, 2024.
19. **Sonali Samanta**, participated in one week faculty development program on "Recent Geological and Geotechnical understanding in Civil Engineering (RGGUCE 2024)" organized by Department of Civil Engineering of Haldia Institute of Technology, dated from 5th to 9th, November, 2024.
20. **Sonali Samanta**, participated in one week faculty development program on "Transforming Innovations into Reality for Future science and Engineering (TIRFSE 2K24) " organized by Department of Applied Sciences & Humanities, Haldia Institute of Technology, Haldia, IN in association with Indian JSPS (Japan Society for the Promotion of Science) Alumni Association (IJAA) & Department of Physics, Mohanlal Sukhadia University, Udaipur, IN, dated from 4th to 8th, November 2024.
21. **Sonali Samanta**, participated in one week faculty development program on "Advancing Environmental Sustainability: Integrated Approaches to Decarbonization and Waste Water Treatment (AES IADWT-2024)" organized by Department of Chemical Engineering of Haldia Institute of Technology, dated from 9th to 13th, September, 2024.
22. **Sonali Samanta**, participated in faculty development program on "Sustainable Engineering Concepts and Life Cycle Analysis" organized by NPTEL-AICTE, during July-September, 2024 (8 weeks).
23. **Sonali Samanta**, participated in one week faculty development program on "Sustainable Development in Industry 5.0 with AI" organized by Department of Computer Science and

Engineering (Artificial Intelligence and Machine Learning) of Haldia Institute of Technology, dated from 5th to 9th, August 2024.

24. **Sonali Samanta**, participated in one week faculty development program on "Methods for Improving Higher Education Teaching Quality Using Outcome Based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)" organized by Department of Computer Science and Engineering of Haldia Institute of Technology in association with IQAC, HIT, dated from 22nd to 26th, July 2024.
25. **Aditi Sinha**, Participated in Faculty development program on "Method for improving Higher Education Teaching Quality using Outcome Based Education, Pedagogical approaches and NEP 2020(OBENEP-2024)" organized by department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, during 22nd to 26th July, 2024.
26. **Aditi Sinha**, Participated in Faculty development program on "Innovation in Recent Trends and Research Application on Computing and Informatics" organized by department of Information Technology, in association with Internal Quality Assurance Cell(IQAC), Haldia Institute of Technology, during 29th July to 02nd August, 2024.
27. **Aditi Sinha**, Participated in Faculty development program on "Outcome based Education and Advanced Research in Electrical Engineering"(OBEAREE-2024) organized by department of Electrical Engineering, in association with Internal Quality Assurance Cell(IQAC), Haldia Institute of Technology, during 12th to 17th August, 2024.
28. **Aditi Sinha**, Participated in Faculty development program on "Advancing Environmental Sustainability: Integrated approach to Decarbonisation and Wastewater treatment(AES IADWT-2024)" organized by department of Chemical Engineering, Haldia Institute of Technology, during 9th to 13th September, 2024.
29. **Aditi Sinha**, Participated in Faculty development program on "Transforming Innovation into Reality for Future Science and Engineering(TIRFSE 2K24)" organized by department of Applied Science and Humanities, Haldia Institute of Technology in association with Japan Society for the promotion of science Alumni association(IJAA), and department of Physics, Mohanlal Sakhadia University, Udaipur, IN , during 4th to 8th November, 2024.
30. **Aditi Sinha**, Participated in Faculty development program on "Recent Geological and Geotechnical Understanding in Civil Engineering" organized by department of Civil Engineering, Haldia Institute of Technology, WB, India, during 5th to 9th November, 2024.
31. **Aditi Sinha**, Participated in Faculty development program on "Unveiling new Generation Innovation in Tech-Unit"(UNIT-2024) organized by department of Chemical Engineering, in association with Internal Quality Assurance Cell(IQAC), Haldia Institute of Technology, during 9th to 23rd November, 2024.

32. **Aditi Sinha**, Participated in Faculty development program on “Smart Computing Applications: Innovative Computational Approaches” organized by department of Information Technology of MCKV Institution of Engineering, Liluah, Howrah in collaboration with Institution’s Innovation Council MCKVIE, during 25th to 29th November, 2024.
33. **Sutapa Roy**, Participated in Faculty development program on “Current Bioprocess Technology, Products and Opportunities” organized by Department of Biotechnology, KLEF, Vandeswaram campus, in association with academic staff college, KLEF, during 29th June – 3rd July, 2024.
34. **Sutapa Roy**, participated in one-week short term course on “Methods for Improving Higher Education Teaching Quality Using Outcome Based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)” organized by Haldia Institute of Technology, during 22nd July – 26th July, 2024.
35. **Sutapa Roy**, participated in Faculty development program on “Innovation in Recent Trends and Research Applications on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 29th July- 2nd August, 2024.
36. **Sutapa Roy**, participated in Faculty development program on “Advancing Environmental Sustainability: Integrated Approaches to Decarbonization and Wastewater Treatment (AES IADWT-2024)” organized by the Department of Chemical Engineering, Haldia Institute of Technology, during 9th Sep- 13th Sep, 2024.
37. **Sutapa Roy**, participated in Faculty development program on “Transforming innovations into reality for future science and Engineering” organized by Department of Applied Sciences and Humanities, Haldia Institute of Technology, in association with Indian JSPS (Japan Society for the Promotion of Science) Alumni Association (IJAA) & Department of Physics, Mohanlal Sukhadia University, Udaipur, during 4th November – 8th November, 2024.
38. **Sutapa Roy**, Participated in Faculty development program on “Unveiling New-generation innovations in tech-units (UNIT-2024)” organized by Department of Chemical Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 19th – 23rd November, 2024.
39. **Ankita Mazumder**, Participated in Faculty development program on “Methods For Improving Higher Education Teaching Quality Using Outcome Based Education, Pedagogical Approaches and NEP 2020 (OBENEP-2024)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, during 22nd to 26th July, 2024.

40. **Ankita Mazumder**, Participated in Faculty development program on “Innovation in Recent Trends and Research Applications on Computing and Informatics” organized by Department of Information Technology, in association with IQAC, Haldia Institute of Technology, during 29th July to 02nd August, 2024.
41. **Ankita Mazumder**, Participated in Faculty development program on “Outcome-based Education and Advanced Research in Electrical Engineering (OBEAREE-2024)” organized by Department of Electrical Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 12th to 17th August, 2024.
42. **Ankita Mazumder**, Participated in Faculty development program on “Advancing Environmental Sustainability: Integrated approach to Decarbonisation and Wastewater treatment (AES IADWT-2024)” organized by Department of Chemical Engineering, Haldia Institute of Technology, during 9th to 13th September, 2024.
43. **Ankita Mazumder**, Participated in Faculty development program on “Unveiling New Generation Innovations in Tech-Units (UNIT-2024)” organized by Department of Chemical Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 19th to 23rd November, 2024.
44. **Sourav Poddar**, Participated in Faculty development program on “UNVEILING NEW-GENERATION INNOVATIONS IN TECH-UNITS (UNIT -2024)” organized by Departments of Department of Chemical Engineering in association with IQAC, Haldia Institute of Technology, during 19th – 23rd November 2024.
45. **Radharani Das**, Participated in the FDP Programme on “*Method for improving higher education Teaching QualityNEP -2020 (OBENEP -24)*” Organized by Department of Computer Science & Engg, Haldia Institute of Technology, during 22nd-26th July 2024..
46. **Radharani Das**, Participated in the FDP Programme on “*Generation Invitations in Tech-Units (UNIT- 24)*” Organized by Department of Chemical Engg, Haldia Institute of Technology, during 19th -29th November ‘ 2024.
47. **Radharani Das**, Participated in the one week FDP Programme on “*Advancing Environmental Sustainability: Integrated Approaches ... (AES IADWT-2024)*” Organized by the Department of Chemical Engg, Haldia Institute of Technology, during 9th -13th September ‘ 2024.
48. **Suman Saha**, Participated in Faculty development program on “Methods for improving Higher Education Teaching Quality using Outcome Based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)” organized by Departments of Computer Science & Engineering in association with IQAC, Haldia Institute of Technology, during 22 – 26th July, 2024.

49. **Suman Saha**, Participated in Faculty development program on “Unveiling New Generation Innovations in Tech-Unit (Unit-2024)” organized by Departments of Chemical Engineering in association with IQAC, Haldia Institute of Technology, Haldia-721657 during 19th– 23rd November, 2024.
50. **Anoar Ali Khan**, has attended five days faculty development program on “ Innovation in Recent Trends and Research Applications on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 29th July- 02 August, 2024.
51. **Anoar Ali Khan**, Participated in Faculty development program on “Methods for improving Higher Education Teaching Quality using Outcome Based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)” organized by Departments of Computer Science & Engineering in association with IQAC, Haldia Institute of Technology, during 22 – 26th July, 2024.
52. **Barnali Bej**, Participated in Faculty development program on “Sustainable Development in Industry 5.0 with AI” organized by Department of Computer Science & Engineering (AI & ML), Haldia Institute of Technology, Haldia during 5– 9th August, 2024.
53. **Barnali Bej**, Participated in online Faculty development program on “Recent Geological and Geotechnical understanding in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, Haldia during 5– 9th November, 2024.
54. **Barnali Bej**, Participated in online Faculty development program on “Unveiling New Generation Innovations In Tech-Units (UNIT 2024)” organized by Department of Chemical Engineering in association with IQAC, Haldia Institute of Technology, Haldia during 19th– 23rd November, 2024.
55. **Barnali Bej**, Participated in online Faculty development program on “Revolutions in Materials Science for Mechanical Engineering Applications” organized by Department of Mechanical Engineering in association with IQAC, Haldia Institute of Technology, Haldia during 18th– 23rd November, 2024.
56. **Barnali Bej**, Participated in online Faculty development program on “Advancing Environmental Sustainability: Integrated Approaches to Decarbonization and Wastewater Treatment (AES IADWT-2024)” organized by Department of Chemical Engineering in association with IQAC, Haldia Institute of Technology, Haldia during 9th– 13rd September, 2024.
57. **Barnali Bej**, Participated in Faculty development program on “Methods for improving Higher Education Teaching quality using Outcome based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)” organized by Department of Computer Science

& Engineering in association with IQAC, Haldia Institute of Technology, Haldia during 22–26th July, 2024.

58. **Barnali Bej**, Participated in Faculty development program on “Innovation in Recent Trends and Research Applications on Computing and Informatics” organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 29th July – 2nd August, 2024.
59. **Keka Rana**, Participated in an one week Faculty Development Program on “Methods for Improving Higher Education Teaching Quality using Outcome based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)”, organized by Department of Computer Science and Engineering in association with IQAC, Haldia Institute of Technology, during 22nd- 26th July, 2024.
60. **Keka Rana**, Participated in a five days Faculty Development Program on “Innovation in Recent Trends and Research Applications on Computing and Informatics”, organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 29th July- 02 August, 2024.
61. **Keka Rana**, Participated in an one week Faculty Development Program on “Sustainable Development in Industry 5.0 with AI”, organized by the Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning), Haldia Institute of Technology, during 5th-9th August, 2024.
62. **Keka Rana**, Participated in an one week Faculty Development Program on “Outcome-based Education and Advanced Research in Electrical Engineering” (OBEAREE 2024)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 12th-17th August, 2024.
63. **Keka Rana**, Participated in an one week Faculty Development Program on “Advancing Environmental Sustainability: Integrated Approaches to Decarbonization and Wastewater Treatment (AES IADWT- 2024)”, organized by Department of Chemical Engineering, HIT, Haldia, during 9th – 13th September, 2024.
64. **Keka Rana**, Participated in an one week Faculty Development Program on “Transforming Innovations into Reality for Future science and Engineering (TIRFSE 2K24)”, organized Department of Applied Sciences & Humanities, Haldia Institute of Technology, Haldia, IN in association with Indian JSPS (Japan Society for the Promotion of Science) Alumni Association (IJAA) & Department of Physics, Mohanlal Sukhadia University, Udaipur, IN, during 4th – 8th November, 2024.
65. **Keka Rana**, Participated in an one week Faculty Development Program on “Next Generation Technologies on information and Communication”, organized by the Department of IT, CSE,

CSE (AI/ML), CSE (Data Science) at Bengal College of Engineering and Technology in collaboration with IIC (Institution's Innovation Council) and EDC (Entrepreneurship Development Cell), during 5th – 9th November, 2024.

66. **Keka Rana**, Participated in an one week Faculty Development Program on “Recent Geological and Geotechnical understanding in Civil Engineering”, organized by the Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India, during 5th – 9th November, 2024.
67. **Keka Rana**, Participated in an one week Faculty Development Program on “Recent Emerging Trends & Applications in Mechanical Engineering”, organized by the Department of Mechanical Engineering, Sanaka Educational Trust's Group of Institutions, during 11th – 15th November, 2024.
68. **Keka Rana**, Participated in an one week Faculty Development Program on “Unveiling New-Generation Innovations in Tech-Units (Unit 2024)”, organized by the Department of Chemical Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, Haldia-721657, West Bengal, India, during 19th – 23rd November, 2024.
69. **Keka Rana**, Participated in an one week Faculty Development Program on “Revolutions in Materials Science for Mechanical Engineering Applications”, organized by the Department of Mechanical Engineering, Haldia Institute of Technology, Haldia, Purba Medinipur, West Bengal, India Pin- 721657, during 18th – 23rd November, 2024.
70. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Unveiling New-generation Innovations in Tech-units (UNIT-2024)”, organized by Department of Chemical Engineering, Haldia Institute of Technology, West Bengal, India, held during 19th – 23rd November, 2024.
71. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Recent Geological and Geotechnical understanding in Civil Engineering”, organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India, held during 5th - 9th November, 2024.
72. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Advancing Environmental Sustainability: Integrated Approaches to Decarbonization and Wastewater Treatment (AES IADWT - 2024)”, organized by Department of Chemical Engineering, Haldia Institute of Technology held during 9th to 13th September, 2024.
73. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Outcome-based Education and Advanced Research in Electrical Engineering (OBEAREE 2024)”,

jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology held during 12th to 17th August, 2024.

74. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “FDP on Sustainable Development in Industry 5.0 with AI”, Department of Computer Science and Engineering, Haldia Institute of Technology, during 05-09th August, 2024, West Bengal.
75. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Innovation in Recent Trends and Research Applications on Computing and Informatics”, Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 29th July- 02 August, 2024, West Bengal.
76. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Methods for improving higher education teaching quality using outcome based education, pedagogical approaches and NEP 2020”, Organized by department of Computer Science and Engineering, Haldia Institute of Technology, during 22nd July – 26 July, 2024., West Bengal.
77. **Somak Jyoti Sahu**, participated in one-week FDP on “Current Bioprocess Technology Products and Opportunities” organized by Department of Biotechnology, KILF from 29th June – 3rd July 2024.
78. **Somak Jyoti Sahu**, participated in one-week FDP “Methods for Improving Higher Education Teaching Quality Using Outcome Based Education, Pedagogical Approaches and NEP 2020 (OBENEP24)” organized by Haldia Institute of Technology, during 22nd July – 26th July, 2024.
79. **Somak Jyoti Sahu**, participated in Faculty development program on “Innovation in Recent Trends and Research Applications on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 29th July- 2nd August, 2024.
80. **Somak Jyoti Sahu**, participated in Faculty development program on “Advancing Environmental Sustainability: Integrated Approaches to Decarbonization and Wastewater Treatment (AES IADWT-2024)” organized by the Department of Chemical Engineering, Haldia Institute of Technology, during 9th Sep- 13th Sep, 2024.
81. **Somak Jyoti Sahu**, Participated in Faculty development program on “Unveiling New-generation innovations in tech-units (UNIT-2024)” organized by Department of Chemical Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 19th – 23rd November, 2024.
82. **Sunil Baran Kuila**, actively participated in one-week online Faculty Development Program on “CHEMICAL PROCESS SAFETY” organized by Department of Chemical Engineering, Sinhgad College of Engineering, Pune from 16th – 20th December, 2024.

83. **Siddhartha Sankar Boxi**, Participated in NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) Organized by MMTTC, Kannur University from 06.03.2025 to 14.03.2025.
84. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Recent Advancement in Electrical Engineering and its Industrial Application (RAEEIA 2025)”, Organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology held during 1st- 5th April, 2025.
85. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Recent developments in structural engineering & skill upliftment”, Organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India, in association with IQAC, Haldia, during 26th - 28th March, 2025.
86. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Future Trends in Machine Learning and Data Science-Driven IOT Applications (FTMLDSA-IOT-2025)”, Organized by Department of CSE (Data Science) and the Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, West Bengal, India, held during 13th – 17th March, 2025.
87. **Anoar Ali Khan**, Participated in a five days faculty development program on “NEP 2020: Potential and opportunities in engineering education (NEP2020:POEE)-2025” organized by the Department of Chemical Engineering in association with IQAC, Haldia Institute of Technology during 24th – 28th March, 2025.
88. **Anoar Ali Khan**, Participated in Teacher Training Program on “NEP 2020 Orientation and Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC)” organized by Coimbatore Institute of Technology (CIT), during 24th February – 05th March, 2025.
89. **Suman Saha**, Participated in Faculty development program on “NEP 2020 Orientation & Sensitization Program” under Malaviya Mission Teacher Training Program (MM-TTP) of University Grant Commission organized by Coimbatore Institute of Technology (CIT), during 24th February, 2025 to 5th March, 2025.
90. **Suman Saha**, Participated in Faculty development program on “NEP 2020: Potential and Opportunities in Engineering Education (NEP 2020: POEE) -2025” organized by Departments of Chemical Engineering, HIT Haldia, in association with IQAC, Haldia Institute of Technology and IIChe Student’s Chapter, during 24 – 28th March, 2025.
91. **Sonali Samanta**, participated in the 5-day faculty development program on "Future Trends in Machine Learning and Data Science-Driven Iot Applications (FTMLDSA-IOT-2025)"

organized by the department of CSE (Data Science) and the internal quality assurance cell (IQAC), Haldia Institute of Technology, Haldia, in association with the department of CSE, Dr. Sudhir Chandra Sur Institute of Technology & Sports Complex, Kolkata, and the Department Of CSE, Budge Budge Institute of Technology (BBIT), Kolkata dated from 10th March – 13th March & 17th March, 2025.

92. **Sonali Samanta**, participated in one week faculty development program on "NEP 2020: Potential and Opportunities in Engineering Education (NEP 2020: POEE)-2025" organized by Department of Chemical Engineering, Haldia Institute of Technology, Haldia, in association internal quality assurance cell (IQAC), HIT, Haldia and IChE students' Chapter dated from 24th to 28th March, 2025.
93. **Sonali Samanta**, participated in 6 Days Faculty Development Program on "Recent Trends in Electrical & Electronics Engineering" organized by Department of Electrical Engineering of Global Institute of Science and Technology, Haldia, India from 21st to 26th April, 2025.
94. **Sonali Samanta**, participated in faculty development program on "Material Science and Engineering" organized by NPTEL-AICTE, during January-March, 2025 (8 weeks).
95. **Sourav Poddar**, Participated in Faculty development program on "NEP 2020 Orientation & Sensitization Program" under Malaviya Mission Teacher Training Program (MM-TTP) of University Grant Commission organized by Coimbatore Institute of Technology (CIT), during 24th February, 2025 to 5th March, 2025.
96. **Somak Jyoti Sahu**, Participated in Faculty development program on "NEP 2020 Orientation & Sensitization Program" under Malaviya Mission Teacher Training Program (MM-TTP) of University Grant Commission organized by Coimbatore Institute of Technology (CIT), during 24th February, 2025 to 5th March, 2025.
97. **Somak Jyoti Sahu**, Participated in One Week Faculty development program on "NEP 2020: Potential and Opportunities in Engineering Education (NEP2020: POEE)-2025" organized by Departments of Chemical Engineering, in association with IQAC, Haldia Institute of Technology and IChE Students' Chapter during 24th – 28th March, 2025.
98. **Deepak Kumar Samal**, Participated in Faculty development program on "NEP 2020 Orientation & Sensitization Program" under Malaviya Mission Teacher Training Program (MM-TTP) of University Grant Commission organized by Utkal University, Bhubaneswar from 21st April 2025 to 3rd May 2025.
99. **Lipika Das Samanta**, Participated "NEP 2020 Orientation & Sensitization Programme" under Malaviya Mission Teacher Training Programme (MM-TTP) OF University Grants Commission (UGC) Organized by Coimbatore Institute of Technology (CIT) during 24th February – 5th March, 2025.

100. **Lipika Das Samanta**, Participated in One Week Faculty development program on “NEP 2020: Potential and Opportunities in Engineering Education (NEP2020: POEE)-2025” organized by Department of Chemical Engineering, in association with IQAC, Haldia Institute of Technology and IChE Students’ Chapter during 24th – 28th March, 2025.
101. **Sutapa Roy**, completed the NEP 2020 Orientation and Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grand Commission (UGC) organized by Coimbatore Institute of Technology (CIT), during 24th February– 05th March, 2025.
102. **Sutapa Roy**, participated in Faculty development program on “NEP 2020: Potential and Opportunities in Engineering Education (NEP2020:POEE) - 2025” organized by Department of Chemical Engineering, in association with Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology and IChE Students’ Chapter, during 24th – 28th March, 2025.
103. **Tanushree Ghosh**, participated in a one week Faculty development program on “Research Methodology and Publication Ethics” organized by the Department of Management and Social Science in association with IQAC, Haldia Institute of Technology during 28th Feb – 6th March, 2025.
104. **Ankita Mazumder**, Participated in Faculty development program on “NEP 2020 Orientation & Sensitization Program” under Malaviya Mission Teacher Training Program (MM-TTP) of University Grant Commission organized by Coimbatore Institute of Technology (CIT), during 24th February, 2025 to 5th March, 2025.
105. **Barnali Bej**, Completed the NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) Organized by MMTTC, Kannur University during 06-14th March, 2025.
106. **Barnali Bej**, Participated in 5-days Faculty development program on “Future Trends in Machine Learning and Data Science-Driven Iot Applications (FTMLDSA-Iot-2025)” organized by Dept. of CSE (Data Science) and IQAC, Haldia Institute of Technology, Haldia in association with Dept. of CSE, Dr. Sudhir Chandra Sur Institute of Technology & Sports Complex, Kolkata, and Dept. of CSE, Budge Budge Institute Of Technology (BBIT), Kolkata during 10th March - 13th March & 17th March, 2025.
107. **Radharani Das**, Participated in One Week Faculty development program on “NEP 2020: Potential and Opportunities in Engineering Education (NEP2020: POEE)-2025” organized by Department of Chemical Engineering, in association with IQAC, Haldia Institute of Technology and IChE Students’ Chapter during 24th – 28th March, 2025.
108. **Keka Rana**, Participated in a Faculty Development Program on “Intelligent Computing Techniques and its Engineering Applications (ICTEA 2025)” organized by Department of

Computer Science and Engineering (NBA Accredited) of College of Engineering and Management, Kolaghat (CEMK), during 6th – 10th Jan, 2025.

109. **Keka Rana**, Participated in a “NEP 2020 Orientation & Sensitization Programme” under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) organized by MMTTC, Kannur University, during 6th -14th March, 2025.
110. **Keka Rana**, Participated in a Faculty Development Program (Fdp) on "Future Trends In Machine Learning And Data Science-Driven Iot Applications (FTMLDSA-IOT-2025)", organized by the Department of CSE (Data Science) And The Internal Quality Assurance Cell (Iqac), Haldia Institute of Technology, Haldia, in Association with the Department of CSE, Dr. Sudhir Chandra Sur Institute of Technology & Sports Complex, Kolkata, and the Department of CSE, Budge Budge Institute Of Technology (BBIT), Kolkata, during 10th March - 17th March, 2025.
111. **Keka Rana**, Participated in a Faculty Development program on “NEP 2020: Potential and opportunities in Engineering Education (NEP 2020: POEE)- 2025” organized by Department of Chemical Engineering, HIT Haldia, in association with IQAC HIT Haldia and IICHe Students’ Chapter, during 24th -28th March 2025.
112. **Keka Rana**, Participated in a Faculty Development Program on “Waste to Energy Conversion”, organized by NPTEL online courses, Indian Institute of Technology, Roorkee, during Jan – Mar, 2025.
113. **Keka Rana**, Participated in a Faculty Development Program on “Recent Advancement in Electrical Engineering and its Industrial Application (RAEEIA 2025)”, organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology held during 1st - 5th April, 2025.
114. **Keka Rana**, Participated in a Faculty Development Program on “Recent Trends in Electrical & Electronics Engineering” held virtually using Google Meet platform organized by Department of Electrical Engineering of Global Institute of Science and Technology, Haldia, India, during 21st of April, 2025 to 26th of April, 2025.
115. **Sonali Samanta**, has completed the NEP 2020 Orientation & Sensitization Programme under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) Organized by MMTTC, Kannur University from 6th to 14th March, 2025.
116. **Tanushree Ghosh**, participated in Short Term Training program on “NEP 2020 orientation and sensitization programme” under Malaviya Mission Teacher Training Programme (MM-TTP) of UGC organized by Coimbatore Institute of Technology, during 24th Feb – 5th March, 2025.

117. **Sunil Baran Kuila**, participated in Short Term Training program on “NEP 2020 orientation and sensitization programme” under Malavya Mission Teacher Training Programme (MM-TTP) of UGC organized by Coimbatore Institute of Technology, during 24th Feb – 5th March, 2025.
118. **Barnali Bej**, Participated in a Faculty Development program on “NEP 2020: Potential and opportunities in Engineering Education (NEP 2020: POEE)- 2025” organized by Department of Chemical Engineering, HIT Haldia, in association with IQAC HIT Haldia and IICHe Students’ Chapter, during 24th -28th March 2025.
119. **Biswajit Mandal**, Participated in a Faculty development program on “NEP 2020 Orientation & Sensitization Programme” under Malaviya Mission Teacher Training Programme (MM-TTP) OF University Grants Commission (UGC) Organized by Coimbatore Institute of Technology (CIT) during 24th February – 5th March, 2025.
120. **Biswajit Mandal**, Participated in One Week Faculty development program on “NEP 2020: Potential and Opportunities in Engineering Education (NEP2020: POEE)-2025” organized by Departments of Chemical Engineering, in association with IQAC, Haldia Institute of Technology and IICHe Students’ Chapter during 24th – 28th March, 2025.
121. **Aditi Sinha**, Participated in Faculty development program on “Future trends in machine learning and data science-Driven IOT application” organized by Departments of Computer Science & Engineering (Data Science) and IQAC Haldia Institute of Technology, Haldia, in association with department of CSE, Dr. Sudhir Chandra Sur Institute of Technology and Sports complex , Kolkata and the department of CSE, Budge Budge Institute Of Technology, during 10 – 13th March and 17th March, 2025.

2023-24

1. **Barnali Bej**, Participated Faculty DevelopmentProgram on “ Artificial Intelligencein Advanced Machine Learning and Cloud Computing (AIAMLCC2023)” organized by Departments of Computer Science & Engineering, Computer Science & Engineering in association with IQAC, Haldia Institute of Technology during 10th - 14th July, 2023.
2. **Barnali Bej**, Participated Faculty Development Program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineeringin association with IQAC, Haldia Institute of Technologyduring 17th - 21st July,2023.
3. **Barnali Bej**, Participated Faculty Development Program on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by

Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August, 2023.

4. **Barnali Bej**, Participated in National Faculty Development Program On “Frontier Research in Electrical Engineering (FREE 2023)”, organized by Department of Electrical Engineering in association with IQAC, Haldia Institute of Technology during 18th – 22nd September, 2023.
5. **Anoar Ali Khan**, Participated in Faculty development program on “Industrial Waste Water Management (IWWM-2023)” organized by Departments of Chemical Engineering, in association with IQAC, Haldia Institute of Technology, during 28th August - 1st September, 2023.
6. **Anoar Ali Khan**, Participated in Faculty development program on “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)” organized by Departments of Electrical Engineering, in association with IQAC, Haldia Institute of Technology, during 18th September – 22nd September, 2023.
7. **Ankita Mazumder**, Participated in Faculty development program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India during 28th August - 1st September, 2023.
8. **Ankita Mazumder**, Participated in National Faculty Development Programme on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology held during 18th – 22nd September, 2023.
9. **Aditi Sinha**, Participated in Faculty development program on “Current Trends in Engineering, Science and Technology” organized by SreeSakti Engineering College (Coiminator), during 03rd – 08th July, 2023.
10. **Aditi Sinha**, Participated in Faculty development program on “Realising benefits of academic research” organized by SreeSakti Engineering College (Coiminator), during 10th – 15th July, 2023.
11. **Aditi Sinha**, Participated in Faculty development program on “Artificial intelligence in Advanced machine learning and cloud computing (AIAMLCC-2023)” organized by Departments of Computer Science & Engineering in association with IQAC, Haldia Institute of Technology, during 10th – 14th July, 2023.

12. **Aditi Sinha**, Participated in Faculty development program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, W.B during 17th – 21st July, 2023.
13. **Aditi Sinha**, Participated in Faculty development program on “Innovation in recent trends and research application on computing and informatics” organized by Departments of Information Technology in association with IQAC, Haldia Institute of Technology, during 31st July – 4th August, 2023.
14. **Aditi Sinha**, Participated in Faculty development program on “Industrial waste water management (IWWM-2023)” organized by Departments of Chemical Engineering in association with IQAC, Haldia Institute of Technology, W.B, during 28th August – 1st September, 2023.
15. **Aditi Sinha**, Participated in Faculty development program on “Frontier Research in Electrical Engineering(FREE-2023)” organized by Departments of Electrical Engineering in association with IQAC, Haldia Institute of Technology, W.B, during 18th – 22nd September, 2023.
16. **Biswajit Mandal** participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
17. **Biswajit Mandal** participated in Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
18. **Biswajit Mandal** participated in Five Days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105 during 24th- 28th July 2023.
19. **Deepak Kumar Samal** Participated in 5 Days online Faculty Development Program on “Industrial Waste Water Management – 2023” (IWWM-2023) during 28th August - 1st September, 2023.
20. **Keka Rana**, Attended a one week Faculty development programme on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023), organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, during 10- 14th July, 2023.

21. **Keka Rana**, Attended a five days online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering”, organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India from 17th - 21st July, 2023.
22. **Keka Rana**, Attended a five days online Faculty Development Program (FDP) on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology from 31st July - 4th August 2023.
23. **Keka Rana**, Attended a five days online Faculty Development Program (FDP) on “Industrial Waste Water Management (IWWM-2023)”, organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
24. **Keka Rana**, Attended a five days National Faculty Development Program (FDP) on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology held during 18th – 22nd September, 2023.
25. **Lipika Das** participated one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
26. **Lipika Das** participated in five days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
27. **Lipika Das** participated in five days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore- 641105 during 24th - 28th July 2023.
28. **Lipika Das** participated in five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.
29. **Lipika Das** participated in five days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.

30. **Lipika Das** participated in five days National Faculty Development Programme on “FrontierResearch in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.
31. **Radha Das**Participated inFive Days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August to 1st September 2023.
32. **Sutapa Roy**participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
33. **Sutapa Roy**participated & completed Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
34. **Sutapa Roy**participated & completed Five Days Online Faculty Development Program (FDP) on “Green Technology and Suatainability-2023”organized by Department of PetrochemicalEngineering, JCT College of Engineering and Technology, Coimbatore-641105 during 24th- 28th July 2023.
35. **Sutapa Roy**participated & completed five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.
36. **Sutapa Roy**participated & completed fivedays Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28thAugust - 1st September, 2023.
37. **Sutapa Roy**participated & completed Five Days “National Faculty Development Programme” on “FrontierResearch in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.

38. **Dr. Suman Saha**, Participated in Faculty development program on “Industrial Waste Water Management (IWWM-2023)” organized by Departments of Chemical Engineering, in association with IQAC, Haldia Institute of Technology, during 28th August - 1st September, 2023.
39. **Dr. Suman Saha**, Participated in Faculty development program on “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)” organized by Departments of Electrical Engineering, in association with IQAC, Haldia Institute of Technology, during 18th September – 22nd September, 2023.
40. **Somak Jyoti Sahu** participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
41. **Somak Jyoti Sahu** participated in Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
42. **Somak Jyoti Sahu** participated in Five Days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore during 24th- 28th July 2023.
43. **Somak Jyoti Sahu** participated in five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.
44. **Somak Jyoti Sahu** participated in five days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
45. **Somak Jyoti Sahu** participated in Five Days “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.

46. **Sourav Poddar**, Participated in Faculty development program on “Industrial Waste Water Management” organized by Departments of Chemical Engineering in association with IQAC, Haldia Institute of Technology, during 28th August – 1st September, 2023..
47. **Sonali Samanta**, participated in one-week Faculty Development Program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023)” organized by Department of Computer Science and Engineering, Haldia Institute of Technology, in Association with IQAC, during 10th -14th July, 2023.
48. **Sonali Samanta**, participated in five days online Faculty Development Program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, in Association with IQAC, during 17th -21st July, 2023.
49. **Sonali Samanta**, participated in five days online Faculty Development Program on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by Department of Information Technology, Haldia Institute of Technology, in Association with IQAC, during 31st July – 4th August, 2023.
50. **Sonali Samanta**, participated in five days national Faculty Development Program on “Frontier Research in Electrical Engineering (FREE 2023)” organized by Department of Electrical Engineering, Haldia Institute of Technology, in Association with IQAC, during 18th – 22nd September, 2023.
51. **Siddhartha Sankar Boxi** Participated in a Faculty development program on “Frontier Research in Electrical Engineering (FREE 2023)”, Organized by Department of Electrical Engineering in association with IQAC, Haldia Institute of Technology from 18th to 22nd September, 2023.
52. **Siddhartha Sankar Boxi** Participated in a Faculty development program on “Innovation in Recent Trends and Research Application on Computing and Informatics (SUSEIT 2023)”, Organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology from 31st July - 4th August 2023.
53. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023)”, Organized by Department of Computer Science and Engineering in association with IQAC, Haldia Institute of Technology, during 10th – 14th July, 2023.
54. **Tanushree Ghosh**, Participated in one week Faculty development program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023)” organized by Department of Computer Science & Engineering in association with IQAC, Haldia Institute of Technology, during 10– 14th July, 2023.

55. **Tanushree Ghosh**, Participated in one week Faculty development program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
56. **Tanushree Ghosh**, Participated in one week Faculty development program on "Green Technology and Sustainability-2023" organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105, during 24th to 28th July, 2023.
57. **Tanushree Ghosh**, Participated in one week Faculty development program on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 31st July to 4th August, 2023.
58. **Tanushree Ghosh**, Participated in one week Faculty development program on “Industrial Waste Water Management (IWWM-2023)” organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India, during 28th August to 1st September, 2023.
59. **Tanushree Ghosh**, Participated in one week Faculty development program on “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th to 22nd September, 2023.
60. **Tapas Kumar Manna** participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
61. **Tapas Kumar Manna** participated in Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
62. **Tapas Kumar Manna** participated in Five Days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105 during 24th - 28th July 2023.

63. **Tapas Kumar Manna** participated in five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.
64. **Tapas Kumar Manna** participated in five days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
65. **Tapas Kumar Manna** participated in Five Days “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.
66. **Sunil Baran Kuila** of Haldia Institute of Technology has successfully participated & completed one week faculty development program on Artificial Intelligence in advanced Machine Learning and Cloud Computing during 10th – 14th July, 2023, organized by department of Computer Science and Engineering in association with IQAC of Haldia Institute of Technology.
67. **Sutapa Roy**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.
68. **Tapas Kumar Manna**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.
69. **Biswajit Mandal**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.
70. **Lipika Das**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.
71. **Tapas Kumar Manna**, participated in one-week online FDP on “Empowering Educators: AI Tools for Engineering and Technology (AITET-2024)” organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.
72. **Keka Rana**, Participated a AICTE Training And Learning (ATAL) Academy Faculty

Development Program on “Application developments in the Lab on a Chip technology for Fluid and Thermal Sciences” organized by Haldia Institute of Technology during 29th January - 3rd February, 2024. (29/01/2024 to 03/02/2024).

73. Sonali Samanta, Participated in AICTE Training and Learning (ATAL) Academy Faculty development program on “Application Developments in the Lab on a Chip technology for Fluid and Thermal Sciences” organized by Department of Mechanical Engineering, Haldia Institute of Technology, from 29th January to 3rd February, 2024.

74. Dr.Anoar Ali Khan, Participated in Faculty development program on “Empowering Educators : AI Tools for Engineering and Technology (AITET-2024)” organized by Departments of Computer Science & Engineering, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.

75. Dr.Suman Saha, Participated in Faculty development program on “Empowering Educators : AI Tools for Engineering and Technology (AITET-2024)” organized by Departments of Computer Science & Engineering, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.

76. Lipika Das, participated in one-week online FDP on “Empowering Educators: AI Tools for Engineering and Technology (AITET-2024)” organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.

77. Aditi Sinha, Participated in Faculty development program on “Edge Computing” organized by Departments of Computer Science & Engineering, Gandhi Institute of Excellent Technocrats, Ghangapatna, Bhubaneswar, during 05th to 09th Feb, 2024

78. Aditi Sinha, Participated in Faculty development program on “Application of Blockchain Technology” organized by Departments of Computer Science & Engineering, in association with IQAC, Institute of Engineering and Management, Kolkata , during 29th Jan to 02nd Feb, 2024.

79. Tanushree Ghosh, Participated in one week Faculty development program on “Empowering Educators : AI Tools for Engineering and Technology (AITET-2024)”, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.

80. Dr.Sutapa Roy, Participated in Faculty development program on “Empowering Educators : AI Toolsfor Engineering and Technology (AITET-2024)” organized by Department of

Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.

- 81. Dr. DEEPAK KUMAR SAMAL** of Haldia Institute of Technology, Haldia, West Bengal has participated in One-week online FDP on “Empowering Educators: AI Tools for Engineering and Technology (AITET-2024)”, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.
- 82. Somak Jyoti Sahu**, Participated in Faculty development program on “Artificial Intelligence, Machine Learning and Deep Learning” organized by Departments of Computer Application, Haldia Institute of Technology, during 19th to 23rd February, 2024.
- 83. Somak Jyoti Sahu**, Participated in Faculty development program on “Recent Progress and Appreciation of digital Technologies in Health care” organized by Departments of Applied Electronics and Instrumentation, Haldia Institute of Technology, during 26th February to 1st March, 2024.
- 84. Deepak Kumar Samal**, Participated in One week Faculty orientation cum Faculty development program 2024, organized by Academic Staff Development Centre (under IQAC), HIT Haldia in association with SASH, Haldia Institute of Technology, during 15th – 19th April, 2024.
- 85. Suman Saha**, Participated in One week Faculty orientation cum Faculty development program 2024, organized by Academic Staff Development Centre (under IQAC), HIT Haldia in association with SASH, Haldia Institute of Technology, during 15th – 19th April, 2024.
- 86. Sourav Poddar**, Participated in One Week Faculty Orientation Cum Faculty development program, organized by Academic Staff Development Centre, Under IQAC in association with School of Applied Science & Humanities, Haldia institute of Technology on 15th April, 2024 to 19th April, 2024.
- 87. Lipika Das Samanta**, participated in Faculty development program on “Artificial Intelligence, Machine Learning and Deep Learning” organized by Department of Computer Applications, Haldia Institute of Technology, during 19th- 23rd February, 2024.
- 88. Lipika Das Samanta**, participated in Faculty development program on “Recent progress and appreciation in digital technologies in healthcare” organized by Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, during 26th February – 1st March, 2024.
- 89. Lipika Das Samanta**, participated in Faculty development program on “Next Generation Sequencing” organized by Department of Biotechnology, Haldia Institute of Technology, during 6th - 11th May, 2024.

- 90. Lipika Das Samanta**, participated in Faculty development program on “Recent Research Trends on AI& ML in Interdisciplinary Domain” organized by Department of Biotechnology, Haldia Institute of Technology, during 13th - 17th May, 2024.
- 91. Lipika Das Samanta**, participated in Faculty development program on “Environmental impact and it’s protection” organized by Department of Civil Engineering, Haldia Institute of Technology, during 13th - 17th May, 2024.
- 92. Sutapa Roy**, participated in Faculty development program on “Artificial Intelligence, Machine Learning and Deep Learning” organized by Department of Computer Applications, Haldia Institute of Technology, during 19th February – 23th February, 2024.
- 93. Sutapa Roy**, participated in Faculty development program on “Recent progress and appreciation in digital technologies in healthcare” organized by Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, during 26th February – 1st March, 2024.
- 94. Sutapa Roy**, participated in Faculty development program on “Next Generation Sequencing” organized by Department of Biotechnology, Haldia Institute of Technology, during 6th - 11th May, 2024.
- 95. Sutapa Roy**, participated in Faculty development program on “Recent Research Trends on AI& ML in Interdisciplinary Domain” organized by Department of Biotechnology, Haldia Institute of Technology, during 13th - 17th May, 2024.
- 96. Sutapa Roy**, participated in Faculty development program on “Environmental impact and it’s protection” organized by Department of Civil Engineering, Haldia Institute of Technology, during 13th - 17th May, 2024.
- 97. Sonali Samanta**, Participated in Faculty development program on “Mathematical and Computational aspects of Industry 4.0 (MCAI 2K24)” organized by Department of Applied Science and Humanities, Haldia Institute of Technology, Haldia, associated by Department of Computer application, and Department of CSE-Data-science, Haldia Institute of Technology, Haldia and the Department of Computer Science and Engineering, O.P. Jindal University, Raigarh, Chhattisgarh, from 3rd June to 7th June, 2024.
- 98. Sonali Samanta**, participated in faculty development program on "Environmental Impact and It's Protection" organized by Department of Civil Engineering of Haldia Institute of Technology, dated from 13th May, 2024 to 17th May, 2024.
- 99. Sonali Samanta**, participated in faculty development program on "Recent research trends on AI and ML in interdisciplinary domain" organized by Department of Computer Science and Engineering (Artificial Intelligence and Machine Learning) of Haldia Institute of Technology, Haldia dated from 13th May, 2024 to 17th May, 2024.

- 100. Sonali Samanta**, participated in faculty development program on "Recent advances and Future Trends in AI and NLP" organized by Department of Computer Science and Technology of Global Institute of Science and Technology, Haldia dated from 15th April, 2024 to 19th April, 2024.
- 101. Sonali Samanta**, participated in faculty development program on "Recent advancement on Microwave and mmWave Communication (RAMMC 2024)" organized by Department of Electronics and Tele Communication Engineering of Haldia Institute of Technology, Haldia dated from 8th April, 2024 to 12th April, 2024.
- 102. Sonali Samanta**, participated in faculty development program on "Recent Progress and Appreciation of Digital Technologies in Healthcare" organized by Department of Applied Electronics and Instrumentation Engineering of Haldia Institute Technology, Haldia dated from 26th February, 2024 to 1st March, 2024.
- 103. Aditi Sinha**, Participated in Faculty development program on "Mathematical and computational aspect of Industry 4.0" organized by Departments of Applied science and Humanities, Haldia Institute of Technology associated by department of Computer application and department of CSE-data science , Haldia Institute of Technology and department of computer science and engineering , O.P Jindal University , Raigarh, Chattisgarh, during 3rd – 07th June, 2024.
- 104. Keka Rana**, Participated in a five day FDP on, "Artificial Intelligence, Machine Learning and Deep Learning", organized by Department of Computer Applications, Haldia Institute of Technology, during 19th -23rd February, 2024.
- 105. Keka Rana**, Participated in a five days FDP on, "Recent Progress and Appreciation of Digital Technologies in Healthcare", organized by Department of applied Electronics and Instrumentation Engineering (AEIE), Haldia Institute of Technology, during 26th February to 1st March, 2024.
- 106. Keka Rana**, Participated in a five days FDP on, "Recent Advancement on Microwave and mmwave Communication (RAMMA 2024), organized by ECE Department, Haldia Institute of Technology, during 8th – 12th April, 2024.
- 107. Keka Rana**, Participated in a five days FDP on, "Recent Advances and Future Trends in AI and NLP", organized by Department of Computer Science and Technology of Global Institute of Science and Technology, Haldia, during 15th – 19th April, 2024.
- 108. Keka Rana**, Participated in a five days FDP on, "Recent Research Trends on AI and ML in Interdisciplinary Domain", organized by Department of Computer Science and Engineering (Artificial Intelligence and Machine Learning), Haldia Institute of Technology, during 13th May – 17th May 2024.

- 109. Keka Rana**, Participated in a five days FDP on, “Environmental impact and it’s protection” organized by Department of Civil Engineering, Haldia Institute of Technology, during 13th May -17th May 2024.
- 110. Keka Rana**, Participated in an one week FDP Program on, “Mathematical and Computational Aspects of Industry 4.0” (MCAI 2k24), organized by Department of Applied Science and Humanities, Haldia Institute of Technology, Haldia, Associated by Department of Computer Application and Department of CSE-Data Science, Haldia Institute of Technology, Haldia and the Department of Computer Science and Engineering, O.P. Jindal University, Raigarh, Chhattisgarh, during 3rd June – 7th June 2024.
- 111. Keka Rana**, Participated in a five days FDP on, “Industry 6.0 : Navigating the Ethical Frontier of Artificial Intelligence and data Science”, organized by Internal Quality Assurance Cell (IQAC) in Collaboration with Institution’s Innovation Council (IIC) and Entrepreneurship Development Cell (EDC) of Hooghly Engineering and Technology College (HETC), during 25th- 29th June 2024.
- 112. Tapas Kumar manna**, Participated in Faculty development program on “Artificial Intelligence, Machine Learning and Deep Learning,” organized by Department of Computer Applications, Haldia Institute of Technology, during 19th February – 23th February, 2024.
- 113. Tapas Kumar manna**, Participated in Faculty development program on “Recent progress and appreciation in digital technologies in healthcare” organized by Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, during 26th February – 1st March, 2024.
- 114. Tapas Kumar manna**, Participated in Faculty development program on “Next Generation Sequencing” organized by Department of Biotechnology, Haldia Institute of Technology, during 6th - 11th May, 2024.
- 115. Tapas Kumar manna**, Participated in Faculty development program on “Recent Research Trends on AI& ML in Interdisciplinary Domain” organized by Department of Biotechnology, Haldia Institute of Technology, during 13th - 17th May, 2024.
- 116. Tapas Kumar manna**, Participated in Faculty development program on “Environmental impact and it’s protection” organized by Department of Civil Engineering, Haldia Institute of Technology, during 13th - 17th May, 2024.
- 117. Anoar Ali Khan**, Participated in One Week Faculty Orientation Cum Faculty development program, organized by Academic Staff Development Centre, Under IQAC in association with School of Applied Science & Humanities, Haldia institute of Technology on 15th April, 2024 to 19th April, 2024.

- 118. Barnali Bej**, Participated in Faculty development program on “Recent Progress and Appreciation of Digital Technologies in Healthcare” organized by Departments of Applied Electronics and Instrumentation Engg., Haldia Institute of Technology, during 26th February – 1st March, 2024.
- 119. Barnali Bej**, Participated in Faculty development program on “Recent Advancement of Microwave and mmWave Communication (RAMMC 2024)” organized by Department of Electronics and Communication Engg., Haldia Institute of Technology, during 8– 12th April, 2024.
- 120. Barnali Bej**, Participated in online Faculty development program on “Environmental Impact and It’s Protection” organized by Department of Civil Engineering, Haldia Institute of Technology, during 13– 17th May, 2024.
- 121. Barnali Bej**, Participated in Faculty development program on “Recent Research Trends on AI & ML in Interdisciplinary Domain” organized by Department of Computer Science & Engineering (AI & ML), Haldia Institute of Technology, during 13– 17th May, 2024.
- 122. Barnali Bej**, Participated in Faculty development program on “Mathematical and Computational Aspects of Industry 4.0 (MCAI 2k24)” organized by Department of Applied Science and Humanities associated by Dept. of Computer Application and Dept. of CSE Data Science, Haldia Institute of Technology, during 3– 7th June, 2024.
- 123. Dr. Sunil Baran Kuila**, participated ISTE & IChE approved online FDP on “Optimization Techniques in Engineering” organized by Department of Chemical Engineering of Dr. D. Y. Patil Institute of Engineering Management and Research, Pune & D Y Patil International University, Pune from 24th to 28th June 2024.
- 124. Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Recent Advancement on Microwave and mmWave Communication (RAMMC 2024)”, Organized by ECE Department, Haldia Institute of Technology from 8th April to 12th April, 2024.
- 125. Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Recent Research Trends on AI & ML in Interdisciplinary Domain”, Organized by Department of Computer Science and Engineering (Artificial Intelligence and Machine Learning), Haldia Institute of Technology from 13th May to 17th May, 2024.
- 126. Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Environmental Impact and It’s Protection”, Organized by Department of Civil Engineering, Haldia Institute of Technology from 13th May to 17th May, 2024.
- 127. Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Mathematical and Computational Aspects of Industry 4.0”, Organized by Department of

Applied Science and Humanities, Haldia Institute of Technology from 3rd June to 7th June, 2024.

128. Biswajit Mandal, participated in Faculty development program on “Next Generation Sequencing” organized by Department of Biotechnology, Haldia Institute of Technology, during 6th - 11th May, 2024.

129. Biswajit Mandal, participated in Faculty development program on “Recent Research Trends on AI& ML in Interdisciplinary Domain” organized by Department of AI & ML Haldia Institute of Technology, during 13th - 17th May, 2024.

2022-23

- 1. Aditi Sinha**, Participated in Faculty development programme on “Recent advancement in Electrical Engineering” organised by Department of Electrical Engineering, Internal Quality Assurance cell IQAC, Haldia Institute of Technology and Institution of Engineers (India), during 19th - 23rd August, 2022.
- 2. Aditi Sinha**, Participated in offline Faculty development programme on “Introduction to additive manufacturing” organised by Haldia Institute of technology at HIT AICTE IDEA Lab, during 26th Sep – 1st Oct, 2022.
- 3. Barnali Bej**, Participated Five Days Faculty Development Program on “ Recent Trend and Research Application on IoT and Machine Learning” organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology during 12th - 16th July, 2022.
- 4. Barnali Bej**, Participated Five Days Faculty Development Program on “Research Trends And Methodologies In Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), Computer Science Engineering (DS) in association with IQAC, Haldia Institute of Technology during 25th-29th July, 2022.
- 5. Barnali Bej**, Participated Five Days Faculty Development Program on “Computational Methodologies” organized by AEIE Department in association with IQAC, Haldia Institute of Technology during 1st- 5th August, 2022.
- 6. Barnali Bej**, Participated in 4 weeks “Faculty Development Programme” On “Scope for Multidisciplinary Research and Education (SMRE- 2022)”, jointly organized by Department of Chemical Engineering, Internal Quality Assurance Cell (IQAC), Haldia

Institute of Technology, in association with IICChE, held during 23 July – 14th August, 2022.

7. **Barnali Bej**, Participated in Five Days “National Faculty Development Programme” On “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, & Institution of Engineers (India), held during 19th – 23rd August, 2022.
8. **Barnali Bej**, Participated in one week offline FDP On “Introduction to Additive Manufacturing”, organized by HIT AICTE Idea Lab, Haldia Institute of Technology, during 26th September – 1st October, 2022
9. **Biswajit Mandal**, Participated faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), Computer Science & Engineering (DS) in association with IQAC, Haldia Institute of Technology during 25th – 29th July, 2022.
10. **Biswajit Mandal**, Participated faculty development program on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology in association with IQAC, Haldia Institute of Technology during 8th to 12th August, 2022.
11. **Biswajit Mandal**, Participated faculty development program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology during 6th to 10th September 2022.
12. **Biswajit Mandal**, Participated faculty development program on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department at NITTTR, Chandigarh during 12th to 16th September 2022.
13. **Keka Rana**, Attended a 5 days FDP program on “Recent Trend and Research Application on IoT and Machine Learning”, organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology, Haldia, 12th-16th July, 2022.
14. **Keka Rana**, Attended a Faculty Development Program on “Research Trends and Methodologies in Machine Learning”, organized by Department of Computer Science and Engineering, Computer Science and Engineering (AIML), Computer Science and Engineering (CS), Computer Science and Engineering (DS), in association with IQAC, Haldia Institute of Technology, on 25th – 29th July 2022.

15. **Keka Rana**, Attended a 4 Week online FDP on Scope for Multidisciplinary Research and Education (SMRE 2022), organized by the Department of Chemical Engineering and IQAC Haldia Institute of Technology, in association with Indian Institute of Chemical Engineers (IICChE), from 23rd July to 14th August, 2022.
16. **Keka Rana**, Attended a Faculty Development Program on “Computational Methodologies”, organized by AEIE, Department, Haldia Institute of Technology, during 1st – 5th August, 2022.
17. **Keka Rana**, Attended a Faculty Development Program on “Emerging Trends in IOT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology, during 8th – 12th August, 2022.
18. **Keka Rana**, Attended a Five Days Faculty Development Program on “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology and Institution of Engineers (India), during 19th – 23rd August, 2022.
19. **Keka Rana**, Attended a Faculty Development Program on Outcome based Teaching-Learning & Research Methodology”, organized by Academic Staff Development Centre IQAC, HIT, Haldia, from 6th to 10th September, 2022.
20. **Lipika Das Samanta**, Participated faculty development program on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 12th-16th July, 2022.
21. **Lipika Das Samanta**, Participated faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering(CS), Computer Science & Engineering(DS) in association with IQAC, Haldia Institute of Technology during 25th – 29th July, 2022.
22. **Lipika Das Samanta**, Participated faculty development program on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology in association with IQAC, Haldia Institute of Technology during 8th to 12th August, 2022.
23. **Lipika Das Samanta**, Participated faculty development program on “Recent Advancement in Electrical Engineering” jointly organized by Department of Electrical

Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, & Institution of Engineers (India), during 19th – 23rd August, 2022.

24. **Lipika Das Samanta**, Participated faculty development program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology during 6th to 10th September 2022.
25. **Lipika Das Samanta**, Participated faculty development program on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department at NITTTR, Chandigarh during 12th to 16th September 2022.
26. **Lipika Das Samanta**, Participated offline faculty development program on “Introduction to Additive Manufacturing” organized by HIT AICTE IDEA lab, Haldia Institute of Technology during 26th September to 1st October 2022.
27. **Radha Das**, Participated 4 week Faculty development programme on “Scope of Multidisciplinary Research and Education (SMRE-22)” organized by Department of Chemical Engineering, during July 23 – August 14, 2022.
28. **Sunil Baran Kuila**, Attended FDP on Database Connectivities organised by Department of Computer Science, St. Pious X Degree & PG College for Women on 19th July, 2022.
29. **Sunil Baran Kuila**, Participated in the AICTE Recognized Faculty Development Programme on Energy Harvesting & Storage Materials & Devices Conducted by Applied Science Department from 12/09/2022 to 16/09/2022 (One Week).
30. **Somok Jyoti Sahu**, Participated and completed successfully one week online FDP on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology, HIT, in association with IQAC, HIT from 12th – 16th July, 2022.
31. **Somok Jyoti Sahu**, Participated and completed successfully one week online FDP on “Faculty Development Program On Research Trends And Methodologies In Machine Learning” organized by Departments of Computer Science and Engineering; Computer Science and Engineering (AIML); Computer Science and Engineering (CS); Computer Science and Engineering (DS), HIT in association with IQAC, Haldia Institute of Technology from 25th – 29th July, 2022.
32. **Somok Jyoti Sahu**, Participated a faculty development programme on “Operation and Practices in Chemical Process Industries Scope for Multidisciplinary Research and Education (SMRE 2022)”, Organized by Department of Chemical Engineering and IQAC

Haldia Institute of Technology in Association with Indian Institute of Chemical Engineer. Date: 23rd July to 14th August, 2022

33. **Somok Jyoti Sahu**, Participated and completed successfully one week online FDP on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology from 08th – 12th August, 2022.
34. **Somok Jyoti Sahu**, Participated and completed successfully one week online National FDP on “Recent Advancement in Electrical Engineering,” organized by Department of Electrical Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology during 19th – 23rd August, 2022.
35. **Somok Jyoti Sahu**, Participated in one week Faculty Development Program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology, Haldia on 6th to 10th September 2022.
36. **Somok Jyoti Sahu**, Participated and completed successfully one week AICTE Recognized online FDP on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department, NITTTR, Chandigarh from 12th – 16th September, 2022.
37. **Sutapa Roy**, Participated and completed successfully one week online FDP on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology, HIT, in association with IQAC, HIT from 12th – 16th July, 2022.
38. **Sutapa Roy**, Participated and completed successfully one week online FDP on “Faculty Development Program on Research Trends And Methodologies In Machine Learning” organized by Departments of Computer Science and Engineering; Computer Science and Engineering (AIML); Computer Science and Engineering (CS); Computer Science and Engineering (DS), HIT in association with IQAC, Haldia Institute of Technology from 25th – 29th July, 2022.
39. **Sutapa Roy**, Participated and completed successfully one week online FDP on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology from 08th – 12th August, 2022.

40. **Sutapa Roy**, Participated and completed successfully one week online National FDP on “Recent Advancement in Electrical Engineering,” organized by Department of Electrical Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology during 19th – 23rd August, 2022.
41. **Sutapa Roy**, Participated and completed successfully one week AICTE Recognized online FDP on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department, NITTTR, Chandigarh from 12th – 16th September, 2022.
42. **Sonali Samanta**, Attended a 5days FDP program on “Recent Trend and Research Application on IoT and Machine Learning”, organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology, Haldia, 12th-16th July, 2022.
43. **Sonali Samanta**, Attended a Faculty Development Program on “Research Trends and Methodologies in Machine Learning”, organized by Department of Computer Science and Engineering, Computer Science and Engineering (AIML), Computer Science and Engineering (CS), Computer Science and Engineering (DS), in association with IQAC, Haldia Institute of Technology, on 25th – 29th July 2022.
44. **Sonali Samanta**, Attended a 4 Week online FDP on Scope for Multidisciplinary Research and Education (SMRE 2022), organized by the Department of Chemical Engineering and IQAC Haldia Institute of Technology, in association with Indian Institute of Chemical Engineers (IIChE), from 23rd July to 14th August, 2022.
45. **Sonali Samanta**, Attended a Faculty Development Program on “Computational Methodologies”, organized by AEIE, Department, Haldia Institute of Technology, during 1st – 5th August, 2022.
46. **Sonali Samanta**, Attended a Faculty Development Program on “Emerging Trends in IOT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology, during 8th – 12th August, 2022.
47. **Sonali Samanta**, Attended a Five Days Faculty Development Program on “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology and Institution of Engineers (India), during 19th – 23rd August, 2022.
48. **Sonali Samanta**, Attended a Faculty Development Program on “Outcome based Teaching-Learning & Research Methodology”, organized by Academic Staff Development Centre IQAC, HIT, Haldia, from 6th to 10th September, 2022.

49. **Sonali Samanta**, Attended a Faculty Development Program on Introduction to additive manufacturing”, organized by HIT AICTE IDEA lab, HIT, Haldia, from 26th November to 1st October, 2022.
50. **Siddhartha Sankar Boxi**, Participated in a 4 weeks online Faculty development program on “Scope for Multidisciplinary Research and Education (SMRE 2022)”, Organized by Department of Chemical Engineering and IQAC, Haldia Institute of Technology in association with Haldia Regional Centre, IChE, during 23rd July – 14th August, 2022.
51. **Siddhartha Sankar Boxi**, Participated in Faculty development program on “Computational Methodologies” organized by Departments of AEIE, Haldia Institute of Technology, during 1 – 5th August, 2022.
52. **Siddhartha Sankar Boxi**, Participated in Faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), Computer Science & Engineering (DS) in association with IQAC, Haldia Institute of Technology, during 25 – 29th July, 2022.
53. **Tapas Kumar Manna**, Participated faculty development program on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 12th-16th July, 2022.
54. **Tapas Kumar Manna**, Participated faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), Computer Science & Engineering (DS) in association with IQAC, Haldia Institute of Technology during 25th – 29th July, 2022.
55. **Tapas Kumar Manna**, Participated faculty development program on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology in association with IQAC, Haldia Institute of Technology during 8th to 12th August, 2022.
56. **Tapas Kumar Manna**, Participated “National Faculty Development Programme” On “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, & Institution of Engineers (India), during 19th – 23rd August, 2022.
57. **Tapas Kumar Manna**, Participated faculty development program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff

Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology during 6th to 10th September 2022.

58. **Tapas Kumar Manna**, Participated faculty development program on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department at NITTTR, Chandigarh during 12th to 16th September 2022.
59. **Aditi Sinha**, participated in one week FDP on “Recent Trends in Machine Learning , IOT and Data Science” organised by department of CSE, IT, CSBS and AIML Asansol Engineering college, Asansol, W.B during 23rd to 28th January, 2023.
60. **Lipika Das**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
61. **Lipika Das**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.
62. **Lipika Das**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
63. **Sunil Baran Kuila**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
64. **Sunil Baran Kuila**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.
65. **Sunil Baran Kuila**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
66. **Dr. S. J. Sahu**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
67. **Dr. S. J. Sahu**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.

68. **Dr. S. J. Sahu**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
69. **Tapas Kumar Manna**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
70. **Tapas Kumar Manna**, Participated in 5 days FDP programme on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT college of Engineering and Technology, Chennai during 21 – 25th November , 2022.
71. **Tapas Kumar Manna**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st -7th February, 2023.
72. **Sutapa Roy**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
73. **Sutapa Roy**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.
74. **Sutapa Roy**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
75. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLC2023)”, Organized by Department of Computer Science and Engineering in association with IQAC, Haldia Institute of Technology, during 10th – 14th July, 2023.
76. **Aditi Sinha**, participated in National faculty development programme on “Recent Research and Advancement in Electrical and Electronics Engineering”(RRAEEE-2023) organised by department of electrical engineering, IQAC, HIT and Institution of Electronics and Telecommunication Engg(India) during 17th -21st April, 2023.
77. **Aditi Sinha**, participated in International FDP programme on “Advancement in next generation computing and communication in IOT age” organised by Institute of Engineering and Management ,Kolkata, Department of Computer application and

Science, technically sponsored by Computer society of India CSI, Kolkata Chapter during 19th -23rd June, 2023.

78. Barnali Bej, Participated Five Days Faculty Development Program on “ Research methodology” organized by School of management and social science, HIT in association with IQAC, Haldia Institute of Technology during 9th - 15th February, 2023.
79. Barnali Bej, Participated one week Faculty Development Program on OUTCOME BASED TEACHING-LEARNING & RESEARCH METHODOLOGY organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology, Haldia on 6th to 10th September 2022.
80. Barnali Bej, Participated Five Days National Faculty Development Program on “ Recent Research and Advancements in Electrical and Electronics Engineering” organized by jointly Dept. of Electrical Engineering in association with IQAC, Haldia Institute of Technology and Institution of Electronics and Telecommunication Engineers (India) during 17th - 21th April, 2023.
81. Biswajit Mandal, participated one week faculty development program on “Recycling Materials in Highway Construction, National Institute of Technical Teachers Training and Research, Chandigarh, during 6th to 10th March, 2023.
82. Biswajit Mandal, participated two weeks faculty development program on “Chemical Engineering Practices in 21st Century” organized by SantLongowal Institute of Engineering & Technology, Longowal, Distt. Sangrur-148106 Punjab during 29th May- 09th June, 2023.
83. Keka Rana, Attended a one week FDP on “Research Methodology”, organized by School of Management and social science, Haldia Institute of Technology, Haldia, West Bengal, India, 9th – 15th February, 2023.
84. Keka Rana, Attended a Five Days, “National **Faculty Development Programme**” on “Recent Research and Advancements in Electrical and Electronics Engineering (RRAEEE, 2023)”, Organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC) Haldia Institute of Technology and the Institution of Electronics and Telecommunication Engineers (INDIA), IETEBWN Sub-centre, during 17th – 21st April, 2023.
85. Lipika Das, participated one week faculty development program on “Recycling Materials in Highway Construction, National Institute of Technical Teachers Training and Research, Chandigarh, during 6th to 10th March, 2023.

86. Lipika Das, participated two weeks faculty development program on “Chemical Engineering Practices in 21st Century” organized by Sant Longowal Institute of Engineering & Technology, Longowal, Distt. Sangrur-148106 Punjab during 29th May - 09th June, 2023.
87. Dr. Sunil Baran Kuila, Participated in the AICTE Recognized Faculty Development Programme on Recycling Materials in Highway Construction Conducted by Civil Engineering Department from 06/03/2023 to 10/03/2023 (One Week)
88. Dr. Sunil Baran Kuila, Participated in the two weeks self-financed faculty development programme (Through Online Mode) on CHEMICAL ENGINEERING PRACTICES IN 21st CENTURY (May 29 – June 09, 2023).
89. Sutapa Roy participated in a faculty development program on “Recycling Materials in Highway Construction” organized by Departments of Civil Engineering, National Institute of Technical Teachers Training and Research, Chandigarh, Ministry OF Education, Government of India, held from 6th March to 10th March, 2023.
90. Sutapa Roy participated in a faculty development program on “Chemical Engineering Practices In 21st Century” organized by Departments of Chemical Engineering, Sant Longowal Institute of Engineering & Technology, (SLIET), Longowal, Punjab, held from 29th May to 09th June, 2023.
91. **Sonali Samanta**, attended a Faculty Development Program on “Research Methodology” organized by School of Management and Social Science, Haldia Institute of Technology, in Association with IQAC, during 9th-15th Feb, 2023
92. **Sonali Samanta**, attended a national Faculty Development Program on “Recent Research and Advancements in Electrical and Electronics Engineering (RRAEE 2023)” organized by department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology and The Institution of Electronics and Telecommunication Engineers (India), IETEBWN Sub-centre, during 17th -21st April, 2023
93. **Tanushree Ghosh**, Participated in a Faculty development programme on “Recent Trend and Research Application on IoT and Machine Learning” organized by Departments of Information Technology in association with IQAC, Haldia Institute of Technology, during 12 – 16th July, 2022.
94. **Tanushree Ghosh**, Participated in a Faculty development programme on “Scope for Multidisciplinary Research and Education (SMRE 2022)” organized by Department of Chemical Engineering and IQAC, Haldia Institute of Technology in association with IICHe, during 23 July – 14th August, 2022.

95. **Tanushree Ghosh**, Participated in a Faculty development programme on “Energy trends and virtual challenges in current scenario” organized by Department of Petroleum Engineering, JCT college of Engineering and Technology, during 1st Feb – 7th Feb, 2023.
96. **Tanushree Ghosh**, Participated in two weeks Faculty development programme on “Chemical Engineering Practices in 21st Century” organized by Department of Chemical Engineering, Sant Longowal Institute of Engineering & Technology, Punjab, during 29 May – 9th June, 2023.
97. **Tapas Kumar Manna**, Participated in Faculty development program on “Recycling Materials in Highway Construction” organized by Civil Engineering Department, National Institute of Technical Teachers Training and Research, Chandigarh, during 6th – 10th March, 2023.
98. **Tapas Kumar Manna**, Participated in Faculty development program on “Chemical Engineering Practices in 21st Century” organized by Department of Chemical Engineering, Sant Longowal Institute of Engineering and Technology (SLIET), Longowal, Sangrur, Punjab (India), during 29th May – 9th June, 2023.
99. **Somak Jyoti Sahu**, participated two weeks faculty development program on “Chemical Engineering Practices in 21st Century” organized by Sant Longowal Institute of Engineering & Technology, Longowal, Distt. Sangrur-148106 Punjab during 29th May- 09th June, 2023.

2021-22

1. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated in FDP on Entrepreneurship-Innovation IPR-Startup held during 28.06.2021 to 03.07.2021 organized by Institutional Innovation Council, JICCE.
2. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Advanced FDP on " Framework for Online Assessment" from 16/08/2021 to 20/08/2021 at National Institute of Technical Teachers Training & Research.
3. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on " Leadership and Teamwork for Education Excellence" from 06/09/2021 to 10/09/2021 at Central University of Haryana.

4. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on "Carbon Capture, Utilization and Storage: Opportunities and Challenges" from 13/12/2021 to 17/12/2021 at Government Engineering College Kozhikode.
5. **Biswajit Mandal**, Attended Atal FDP on "Carbon Capture, Utilization and Storage: Opportunities and Challenges" from 13/12/2021 to 17/12/2021, at Government Engineering College Kozhikode.
6. **Biswajit Mandal**, Attended FDP "waste to Energy" from 19/1/2022 to 25/01/2022
7. **Barnali Bej**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on "Green Technology and Sustainability Engineering" organized by Bhilai Institute of Technology Durg, during 08 – 12th Nov, 2021.
8. **Barnali Bej**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on "Waste Technology" organized by Government Engineering College Bharuch, during 20 – 24th Dec, 2021.
9. **Barnali Bej**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on "Recycling of Plastics for Sustainable Growth" organized by CIPET, Institute of Plastic Technology (IPT) Bhubaneswar, during 10 – 14th Jan, 2022.
10. **Keka Rana**, attended a FDP on "Research applications in artificial intelligence and machine learning", organized by Department of Computer Science and Engineering of Haldia Institute of Technology, Haldia, West Bengal, India, during 6th September – 10th September 2021.
11. **Keka Rana**, attended an AICTE Training and Learning (ATAL) Academy Faculty development programme on "Green Technology and Sustainability Engineering", organized by Bhilai Institute of Technology, during 8th November – 12th November 2021.
12. **Keka Rana**, attended an AICTE Training And Learning (ATAL) Academy Faculty development programme on "Waste Technology", organized by Government Engineering College, Bharuch, during 20th – 24th December, 2021.
13. **Keka Rana**, attended an AICTE Training And Learning (ATAL) Academy Faculty development programme on "Recycling of Plastics for Sustainable Growth", organized by Central Institute of Petrochemicals Engineering & Technology(CIPET): Institute of Plastics Technology(IPT), during 10th – 14th January, 2022.
14. **Aditi Sinha**, participated in AICTE Training and learning (ATAL) Academy Faculty Development Programme on "Advanced Sensor technology for Efficient Biomedical and

Energy Management in smart cities”, organised by Jaipur Engineering College and Research centre , during 03-07th Jan,2022.

15. **Aditi Sinha**, participated in AICTE Training and learning (ATAL) Academy Faculty Development Programme on “Recycling of plastic for sustainable growth”, organised by Central Institute of Petrochemical Engineering & Technology (CIPET): Institute of Plastic Technology (IPT) , during 10-14th Jan,2022.
16. **Lipika Das Samanta**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Framework for Online Assessment” organized by National Institute of Technical Teachers Training & Research, during 16 – 20th August, 2021.
17. **Lipika Das Samanta**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering” organized by Kolhapur Institute of Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, India, during 25 – 29th November, 2021.
18. **Lipika Das Samanta**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Carbon Capture, Utilization and Storage: Opportunities and Challenges” organized by Government engineering college Kozhikode, during 13 – 19th December, 2021.
19. **Sutapa Roy** participated & completed successfully AICTE Training And Learning (ATAL) Academy FDP on " Carbon Capture, Utilization and Storage: Opportunities and Challenges" organized by Government Engineering College Kozhikode, during 13th - 17th Dec, 2021.
20. **Sutapa Roy** participated & completed successfully AICTE Training And Learning (ATAL) Academy FDP on "Green Technology and Sustainability Engineering" organized by Kolhapur Institute of Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, during 25th - 29th Nov, 2021.
21. **Sutapa Roy** participated & completed successfully AICTE Training And Learning (ATAL) Academy FDP on "Framework for Online Assessment" organized by National Institute of Technical Teachers Training & Research, during 16th - 20th August, 2021.
22. **S. J Sahu**, participated AICTE Training and Learning (ATAL) Academy Online FDP “Carbon Capture, Utilization and Storage: Opportunities and Challenges” at Government Engineering College Kozhikode, from 13- 17th Dec, 2021.
23. **S. J Sahu**, participated AICTE Training and Learning (ATAL) Academy Online FDP"Green Technology and Sustainability Engineering" at Kolhapur Institute of

Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, INDIA. 25-29th Nov, 2021.

24. **S. J Sahu**, participated Faculty Development Program on “Research applications in Artificial Intelligence and Machine Learning” organised by Department of Computer Science, HIT, Haldia 6- 10th September, 2021.
25. **S. J Sahu**, participated AICTE Training and Learning (ATAL) Academy Online FDP "Framework for Online Assessment" at National Institute of Technical Teachers Training & Research from 16- 20th Aug, 2021.
26. **Sonali Samanta**, Participated in AICTE Training and Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering” organized by Bhilai Institute of Technology, during 8– 12th Nov, 2021.
27. **Sonali Samanta**, Participated in AICTE Training and Learning (ATAL) Academy Faculty development programme on “Waste Technology” organized by Government Engineering College, Bharuch, during 20 – 24th Dec, 2021.
28. **Sonali Samanta**, Participated in AICTE Training and Learning (ATAL) Academy Faculty development programme on “Recycling of Plastics for Sustainable Growth” organized by Central Institute of Petrochemicals Engineering & Technology (CIPET): Institute of Plastics Technology (IPT), during 10– 14th Jan, 2022.
29. **Tapas Kumar Manna**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering” organized by Kolhapur Institute of Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, INDIA, during 25 – 29th November, 2021.
30. **Tapas Kumar Manna**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Carbon Capture, Utilization and Storage: Opportunities and Challenges” organized by Government Engineering College , Kozhikode, during 13 – 17th December, 2021.
31. **Tapas Kumar Manna**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Alternate Fuels ” organized by Goa College of Engineering, during 06 – 10th December, 2021.
