

NPTEL
Department of Chemical Engineering
2025—26

1. **Tanushree Ghosh**, NPTEL Online Certification, “Nanotechnology in Chemical Engineering”, Aug-Oct, 2025, Indian Institute of Technology, Roorkee.
2. **Keka Rana**, Awarded with Mentor of NPTEL online course “Technologies for Clean and Renewable Energy Production” during Jul- Dec 2025.
3. **Sonali Samanta**, NPTEL Online Certification Course, “Plastic Waste Management”, offered by Indian Institute of Technology, Kharagpur, during January-March, 2026.
4. **Keka Rana**, NPTEL Online Certification Course, “Energy Resources, Economics, and Sustainability”, offered by Indian Institute of Technology, Roorkee, Feb – Apr, 2026.
5. **Monal Dutta**, NPTEL Online Certification Course, “Non-Conventional Energy Resources”, offered by Indian Institute of Technology, Madras, Jan – Apr, 2026.
6. **Bitan Pratihar**, NPTEL Online Certification Course, “Non-Conventional Energy Resources”, offered by Indian Institute of Technology, Madras, Jan – Apr, 2026.

2024—25

1. **Sonali Samanta**, NPTEL Online Certification Course, “Sustainable Engineering Concepts and Life Cycle Analysis”, July-September, 2024 (8 weeks), Indian Institute of Technology, Kharagpur.
2. **Sonali Samanta**, NPTEL Online Certification Course, “Materials Science and Engineering”, offered by Indian Institute of Technology, Roorkee during January-March, 2025 (8 weeks).
3. **Tanushree Ghosh**, NPTEL Online Certification Course, “Waste to Energy Conversion”, Jan-March, 2025 (8 weeks Course), Indian Institute of Technology, Roorkee.
4. **Keka Rana**, Secure 1% Topper in NPTEL Online Certification Course, “Waste to Energy Conversion”, Jan- Mar, 2025 (8 weeks Course), Indian Institute of Technology, Roorkee.
5. **Keka Rana**, Awarded with Mentor of NPTEL online course “Waste to Energy Conversion” during Jan - Mar 2025.

2023-24

1. **Tanushree Ghosh**, NPTEL Online Certification Course, “Petroleum Technology”, July-September, 2023 (8 weeks Course), Indian Institute of Technology, Madras.
