

Seminar
Department of Chemical Engineering

2025-26

1. **Bisweswar Das**, Participated in International Conference on “Advancement of Green Technology for Sustainable Environment (Green Tech -25)” organized by School of (Chemical Engg, Biotech & Food Technology) of Haldia Institute of Technology during 11th-12th September, 2025.
2. **Sibsankar Rahut**, Participated in International Conference on “Advancement of Green Technology for Sustainable Environment (Green Tech -25)” organized by School of (Chemical Engg, Biotech & Food Technology) of Haldia Institute of Technology during 11th-12th September, 2025.
3. **Radha Das**, Participated in a Seminar on “Bio Nexus -26”, organized by Microbiologist Society of India in association with Department of Bio-Technology & Agriculture Engg , IQAC HIT , Haldia Institute of Technology, during 6th-7th May, 2026.
4. **Sonali Samanta**, participated in a Seminar on “Water and Cancer: The Relationship”, organized by Amity Institute of Bio-Technology and Amity Centre for Water and Studied and Research, Amity University, Rajasthan, Jaipur, on 13th March, 2026.
5. **Keka Rana**, Participated in a seminar on “Water and Cancer: The Relationship”, organized by Amity Institute of Biotechnology and Amity Centre for Water Studies and Research, Amity University, Rajasthan, Jaipur, 13th March, 2026.
6. **Barnali Bej**, Participated in a seminar on “Water and Cancer: The Relationship” organized by Amity Institute of Biotechnology and Amity centre for Water Studies and Research, Amity University, Rajasthan, Jaipur, on 13th March, 2026.
7. **Siddhartha Sankar Boxi**, Participated in a Seminar on “Water and cancer: The Relationship”, Organized by Amity Institute of Biotechnology and Amity Centre for Water Studies and Research, Amity University, Rajasthan, Jaipur, on 13th March, 2026.

2024-25

1. **Siddhartha Sankar Boxi**, Participated in International Conference on “Nanotechnology for Sustainable Environment (NTSE – 2024) organized by School of Chemical Engineering, Food Technology, and Biotechnology, at Haldia, September 26-28, 2024.
2. **Sunil Baran Kuila**, Participated in Chemical Engineering Congress (SCHEMCON-2024), IChE-RGIPT Student Chapter, Department of Chemical and Biochemical Engineering, Rajiv Gandhi Institute of Petroleum Technology, 20-21st September, 2024.
3. **Sunil Baran Kuila**, Participated in CHEMCON-2024 at NIT–Jalandhar during December 27-30, 2024.
4. **Sonali Samanta**, Participated in a seminar program on "Entrepreneurship and Job Scenerio in the Biotech Sector in India" organized by Amity Centre for Water Studies and Research (ACWSR), Amity University, Rajasthan, Jaipur on 3rd February, 2025.
5. **Tanushree Ghosh**, Participated in an International Seminar on “Green Business Practices and Sustainability” organized by the Department of Management and Social Science in association with IQAC, Haldia Institute of Technology during 20th – 21st March, 2025.
6. **Barnali Bej**, Participated in seminar on “Entrepreneurship and Job Scenario in the Biotech Sector in India” organized by Amity Centre for Water Studies and Research (ACWSR), Amity University Rajasthan, Jaipur on 3rd February, 2025.
7. **Radharani Das**, Participated the Conference on Emerging Trends in Advanced Materials (ETAM) Organized by Functional Materials and Device División, CSIR- Central Glass and Ceramic Research Centre, Jadavpur during February 6th-7th, 2025, West Bengal.
8. **Radharani Das**, Participated the 7th Regional Science & Technology Congress 2024-25, 3rd -4th January in organized by DST- West Bengal at Midnapore College.
9. **Radharani Das**, Participated National Seminar on “Biotechnology Led Innovations for Society, Environment & Sustainability (BLISES-2025) during March 4th -5th, 2025 as advisor & Dean of the Biotechnology Department during June 16th-21st 2025 at Haldia Institute of Technology.

2023-24

1. **Radharani Das** attended one day National Seminar on “Microbial Marvels: Unveiling the Hidden World of Biotechnology” and Inauguration of HIT Student Chapter of Microbiologists society on 5th October, 2023, Organised by Department of Bio-Technology in association with Microbiologists Society of India and IQAC, HIT, Haldia.
2. **Biswajit Mandal** attended and presented working model of IOT enable water health monitoring device at the “Symposium on wellness connect- Living life 360^o” organized by Bengal Chamber of Commerce and Industries on dated 19th August 2023.
3. **Somak Jyoti Sahu** participated in “IP Awareness/Training program under National Intellectual Property Awareness Mission” organized by Intellectual Property Office, India on 5th March, 2024.
4. **Somak Jyoti Sahu** participated in the lecture on “Heterojunction Photo-catalysts in Artificial Photosynthesis” delivered by Dr. Mohan Kumar Kesarala, Investigador Titular A de TC, Instituto de Ciencias Fisicas, Universidad Nacional Autónoma de México on 24th February, 2024.
5. **Somak Jyoti Sahu** participated in the lecture on “Navigating the ip landscape – from fundamentals to career opportunities” delivered by Mr. Mohammed GA, Indian Patent & Trademark Agent Consultant at Bhupathiraju & Co, Bengaluru (Formerly Associate Director at Biocon Biologics and Viartis) on 27th January, 2024.
6. **Keka Rana**, Participated in a seminar on, “Awareness of technology trends”, organized by Dept. of Computer Science and IQAC, Vidyasagar University in collaboration with Browse Skill Technologies, on 21st June, 2024.

2022-23

1. **Aditi Sinha**, Participated in National seminar on “Quality Improvement in Technical Education Through Outcome Based Education” organised by Internal Quality Assurance Cell of BRCM college of Engineering and Technology in association with NAAC, during 04th - 5th November, 2022.
2. **Aditi Sinha**, Participated in National Conference on “Emerging Trends and Application of Green Technologies for Sustainable development Green Tech-2022” organised by School of Chemical Engineering , Biotechnology and Food Technology in association with Indian Chemical Society (ICS), BRNS and SERB , during 21st to 22nd November, 2022.
3. **Aditi Sinha**, Participated in one week seminar on “Optimization Technique” organised by Department of Applied Electronics and Instrumentation Engineering During 3rd to 9th January, 2023.
4. **Barnali Bej**, Participated in National Conference on Emerging Trends & Application of Green Technologies for Sustainable Development (Green Tech 2022) organized by School of Chemical Engineering, Biotechnology and Food Technology, Haldia Institute of Technology in association with Indian Chemical Society, IQAC, HIT during 21-22 November, 2022.
5. **Barnali Bej**, Participated one week seminar on “Optimization Techniques” organized by AEIE Department in association with IQAC, Haldia Institute of Technology, Haldia during 3rd – 9th January, 2023.
6. **Keka Rana**, Attended a one-week Seminar on “Optimization Techniques”, organized by Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, from 3rd to 9th Jan. 2023.
7. **Keka Rana**, Attended a National Conference on “Emerging Trends and Application of Green Technologies for Sustainable Development”, organized by School of Chemical Engineering, Biotechnology and Food Technology, in Association with Indian Chemical Society, during 21 – 22 November 2022.
8. **R. Das** BRNS & SERB Sponsored National Conference on Emerging Trends & Application of Green Technologies for Sustainable Development (Green Tech 2022), Dept. of Chemical Engineering, Haldia Institute of Technology, Haldia, **21st – 22nd November, 2022.**
9. **Sonali Samanta**, participated in one week seminar on “Optimization Techniques” organized by Department of Applied Electronics and Instrumentation Engineering, Haldia Institute of Technology, Haldia, during 3rd – 9th January, 2023.

10. **Sonali Samanta**, participated in national conference on “Emerging Trends and Application of Green Technologies for Sustainable Development” (Green Tech - 2022), organized by School of Chemical Engineering, Bio-Technology and Food Technology, Haldia Institute of Technology in association with ICS, IQAC, HIT, Haldia, 21st -22nd November, 2022.
11. **Tanushree Ghosh**, participated in a national conference on “Emerging Trends & Application of Green Technologies for Sustainable Development(Green Tech- 2022)” organized by School of Chemical Engineering, Biotechnology and Food Technology in association with ICS, held from 21st to 22nd November, 2022.
12. **Tapas Kumar Manna**, Participated in BRNS and SERB sponsored national conference on “Emerging trends and Applications of Green Technologies for sustainable Development” organized by School of Chemical Engineering, Bio Technology and Food Technology , Haldia Institute of Technology, during 21 – 22thNovember , 2022.
13. **A. K. saha**Chemical Engineering Congress (CHEMCON 2022) 75th Annual Session (Platinum Jubilee) of Indian Institute of Chemical Engineers, December 27th to 30th 2022, HBTU, Kanpur, India.
14. **Siddhartha Sankar Boxi**, Participated in National Conference on Emerging Trends & Application of Green Technologies for Sustainable Development (Green Tech 2022) organized by School of Chemical Engineering, Biotechnology and Food Technology, Haldia Institute of Technology in association with Indian Chemical Society, IQAC, HIT during 21-22 November, 2022.
15. **AditiSinha**, Participated in National seminar on Global science for global well-being land to land (GSGWLL-2023) organised by Indian Photobiology society ,Kolkata,India during 3rd to 5th March,2023.

2021-22

1. **Siddhartha Sankar Boxi**, participated in National Seminar on “National Education Policy 2020”, organized by Haldia Institute of Technology in association with Global Institute of Science and Technology, HIT Campus, 22nd November 2021.
2. **Sunil Baran Kuila**, participated in one-day “National Seminar on National Education Policy 2020” organized by Haldia Institute of Technology in association with Global Institute of Science and Technology, held on 22nd November, 2021, 11 am at SN Bose Auditorium of Haldia Institute of Technology.
3. **Barnali Bej**, Participated in Five day International Conference on Current Trends in Chemical Sciences and Their Industrial Applications (CTCSIA 2021) organized by School of Applied Science & Humanities & IQAC, Haldia Institute of Technology during 29th Oct – 2nd Nov, 2021.
4. **Barnali Bej**, Participated in one day National Seminar on “National Education Policy 2020” organized by Haldia Institute of Technology in association with Global Institute of Science and Technology on 22 Nov, 2021.
5. **Barnali Bej**, Participated in University Distinguished Lecture "Science-Technology and Innovation Policy 2020: A Transformative S&T Agenda" organized by SRM University Andhra Pradesh on 30th Oct, 2021
6. **Barnali Bej**, Participated in University Distinguished Lecture "Science-Engineering-Technology Synergy for Sustainable Growth" organized by SRM University Andhra Pradesh on 25th Sept, 2021.
7. **Keka Rana**, attended a 5 day International conference on “Current Trends in Chemical Sciences and their Industrial Applications”, organized by School of Applied Science and Humanities (SASH) & IQAC Haldia Institute of Technology (HIT), Haldia, West Bengal, India (An Autonomous Institute under MAKAUT, WB), *In Collaboration With* Indian Chemical Society (ICS), Kolkata 700009, India, during 29th October - 2nd November, 2021.
8. **Keka Rana**, attended a one-day “National Seminar on National Education Policy 2020” organized by Haldia Institute of Technology in association with Global Institute of Science and Technology, held on 22nd November, 2021.

9. **Aditi Sinha**, participated in one day national seminar on “National Education Policy 2020” organised by Haldia Institute of Technology in association with Global Institute of Science and Technology, during 22nd November, 2021.
10. **Aditi Sinha**, participated in International conference on Naotechnology, ICNT-2021, organised by Institute of Fire and Safety Engineering, Brajalalchak, Haldia, during 23rd-24th December, 2021.
11. **Lipika Das Samanta**, participated in one-day “National Seminar on National Education Policy 2020” organized by Haldia Institute of Technology in association with Global Institute of Science and Technology, held on 22nd November, 2021.
12. **Radha Das**, attended the international conference by BRICS NUs: Water Resources and Pollution Treatment WRPT-21 organised by NIT Durgapur & IIT Kanpur during 6-9th July 2021 .
13. **Radha Das** participated Five days International Conference On Current Trends in Chemical Sciences and their Industrial Applications (CTCSIA-2021) Date: 29th October-2nd November, 2021 Organized By School of Applied Science and Humanities (SASH), Haldia Institute of Technology (HIT), Haldia, In Collaboration With Indian Chemical Society, India
14. **Radha Das**, participated and presented a paper entitled “*Importance of E-learning and Digital Education in Indian New Education Policy (NEP-2020)* ”in One Day National Seminar on National education policy 2020, 22nd November, 2021, organized by Haldia Institute of Technology, Haldia, West Bengal, India in collaboration with Global Institute of Science and Technology, Haldia, West Bengal, India.
15. **S. J Sahu** participated in one-day “National Seminar on National Education Policy 2020” organized by Haldia Institute of Technology in association with Global Institute of Science and Technology, held on 22nd Nov, 2021.
16. **Sonali Samanta**, participated in “National Seminar on National Education Policy 2020”organized by Haldia Institute of Technology in association with Global Institute of Science and Technology, on 22nd Nov, 2021
17. **Tapas Kumar Manna**, Participated in *National Seminar on “National Education Policy 2020 ”* organized by Haldia Institute of Technology *In association with* Global Institute of Science and Technology, Knowledge City, ICARE complex, Hatiberia, Haldia, WB - 721657, India On 22nd December, 2021.
